تعتبر مهارة الكتابة من المهارات الأساسية للتعبير عن فكرة أو موضوع لذا يجب استخدام جمل وأفكار مترابطة. قم بقراءة هذه الجمل لتساعدك على التعامل مع مهارة الكتابة [٢١ جملة].

1 How animals help us

Some animals have real jobs that help people every day.^[1] Police dogs find lost people and catch criminals with their strong noses.^[2] Guide dogs help blind people walk safely without getting hurt.^[3] Horses help people feel calm and happy when they ride them.^[4] In many countries, dolphins rescue people who are in danger in the sea.^[5]

2 Animal helpers

In Egypt, many animals help people with farm work.^[6] Water buffaloes pull ploughs to prepare the soil for planting crops.^[7] Donkeys carry heavy loads and know their routes very well.^[8] Pigeons carry notes and letters as messengers between places.^[9] Other animals like geckos and falcons help by eating insects.^[10]

3 A day on the farm

Today, I am visiting my uncle's farm with my family.^[11] I see many animal helpers working hard.^[12] The cows give us fresh milk for drinking and making cheese.^[13] I watch a smart dog guarding the sheep and keeping them safe.^[14] I see chickens laying eggs and a cat catching mice near the barn.^[15] I learn that farm animals are hard workers who help people in many ways.^[16]

4 Egrets

Egrets help farmers by eating insects that harm crops.^[17] They stand in a field and catch hoppers with their sharp beak.^[18] These birds often work with water buffaloes, eating flies that bother them.^[19] The white feathers make egrets easy to spot against the green plants.^[20] Farmers appreciate egrets because they provide natural insect control and help make food healthier.^[21]

Test 4 | on Unit 4

• نصوص الاستماع
• في نهاية الكتاب.
• التقييمات والتسميع
• في نهاية الكتاب.

1 Listen and write [T] True or [F] False.

استمع واكتب [T] صح أو [F] خطأ.

1. Omar is watching a documentary about animal helpers. ☐
2. The egrets help farmers by keeping insects. ☐
3. Egrets have short legs. ☐
4. Egrets have sharp beaks. ☐

2 Choose the correct answer from a, b, c or d.

1. A/An..... is an area of land with grass for animals.
a. playground b. ocean c. office d. field
2. Mice can damage the..... in fields.
a. grain b. cheese c. soap d. meat
3. When does the train.....?
a. arrive b. arrives c. arrived d. arriving
4. **AB** She isn't..... for her test today.
a. studied b. studies c. study d. studying

3 **AB** Read and complete the text with the words in the box.

police dog – Horses – guide dogs – barn – Dolphins

Some animals are very brave and help humans in many ways.

[1]..... can rescue swimmers in the sea, while a [2]..... helps police catch criminals. [3]..... carry people or goods and assist on farms. Meanwhile, [4]..... guide blind people safely through busy streets every day.

4 Read the text and answer the questions.

Zein and his family visited his uncle's farm today. They saw animal helpers working hard. The cows were in the field, and the farmer was milking one of them. Cows give fresh milk every day for drinking and making cheese. Zein walked to another field where sheep were eating grass. Their thick wool is carefully cut once a year to make sweaters and blankets. A **smart** dog was running around the sheep to keep them safe. Near the barn, chickens laid eggs, and a cat slept in the sun, catching mice. Zein also saw horses pulling carts. He learned that farm animals help people in many ways, so it is important to take care of them.

A Choose the correct answer from a, b, c or d.

1. The underlined word "smart" means ".....".
a. brave b. lazy c. noisy d. clever
2. Chicken laid eggs near the
a. forest b. office c. barn d. desert

B Answer the following questions.

3. What can we make from the wool of the sheep?
.....

4. What was the dog doing?
.....

5. summarize the text in one sentence.
.....

5 Read and write the correct form of the word[s] between brackets.

1. Look! The pigeon [fly] with a message.
2. Every day, the donkey [carry] heavy loads.

6 Put the words in the correct order to form sentences.

1. do – people – How – help – horses ?
.....

2. AB in water – often – people – Dolphins – help.
.....

7 Punctuate the following.

1. we get wool from sheep
.....
2. how do guide dogs help blind people
.....

8 Write a paragraph of FORTY [40] words using the words below.

How different animals help people

• التقييمات والتسميع
في نهاية الكتاب.

1 Listen and write (T) True or (F) False.

استمع واكتب (T) صح أو (F) خطأ.

1. The Milky Way is the galaxy where Earth and the Sun are.
2. It looks like a bright band of stars.
3. It is shaped like a big square.
4. It is full of stars, gas, and water.

☐
☐
☐
☐

2 Choose the correct answer from a, b, c or d.

1. At night, we can see many bright in the sky.
a. space b. stars c. rings d. soil
2. **AB** is our home planet.
a. Moon b. Earth c. Milky Way d. Saturn
3. This chair is more comfortable the old one.
a. than b. then c. that d. the
4. He is the boy in the playground.
a. fast as b. fast c. faster d. fastest

3 **AB** Read and complete the text with the words in the box:

fact - Sun - Earth - solar system - explore

The Sun sits at the center of our [1] and controls how planets travel in their orbits. Our planet, [2] is the only known place with life. Scientists [3] our galaxy to learn more about the [4] and the countless stars spread across the sky.

4 Read the text and answer the questions.

Sara Sabry is the first Egyptian female astronaut. She became the first Arab engineer to travel into space in 2022. Sara says "I want to inspire young people in Egypt to follow their dreams and believe that nothing is impossible." In her work, she studied the solar system and the planets. She explains: Mercury is smaller than Earth. Venus is hotter than Earth. Mars is drier than Earth, while Jupiter is the largest planet. Saturn has beautiful rings, and Uranus and Neptune are colder and farther away. Sara describes looking at the Sun, the Moon, and the stars in our galaxy. "The galaxy is bigger than we imagine," she says. Seeing Earth from space made her realize how small our planet is compared to the universe.

A Choose the correct answer from a,b,c or d.

1. The underlined word "inspire" means ".....".
a. explore b. encourage c. follow d. realize

Listening

1 Listen and write (T) True or (F) False:

2

- 1 Police dogs help officers find criminals. ()
- 2 Guide dogs help blind people drive cars. ()
- 3 Sheep give wool for clothes. ()
- 4 Donkeys carry heavy loads to markets. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 We need to finish our school project faster.
a) sunlight b) teamwork c) iron d) soil
- 2 Mercury is than Earth.
a) small b) smaller c) smallest d) the smallest
- 3 Look! The birds over the fields.
a) fly b) flies c) is flying d) are flying
- 4 Donkeys carry heavy through villages and to markets.
a) loads b) birds c) insects d) water

3 Read and complete the text with the words in the box:

2

beak – chemicals – narrator – wildlife – hoppers

I am watching a documentary about animal helpers right now. The (1) says that egrets help farmers by eating insects. On the screen, an egret is catching (2) with its sharp (3) Farmers don't need to use many (4) because of these birds.

4 Read the text and answer the questions:

7

Last night, I had a wonderful dream. I was inside a big, shiny spaceship with round windows. The rocket went up into the dark sky. Outside, the bright Moon looked like a lamp. When the spaceship landed, I saw a fun playground in space. The houses were like soft clouds, and the children played football with the glowing star-ball. We laughed and played together. It was a happy and fun place. When I woke up, I still remembered the bright colors in space. I was very excited.

A Choose the correct answer from a, b, c, or d:

- 1 In the dream, the Moon looked like a
a) ball b) lamp c) star d) clock
- 2 The underlined word "glowing" means
a) dark b) cold c) shining d) heavy

B Answer the following questions:

- 3 What did the narrator see when the spaceship landed?

.....

- 4 What were the houses like on the alien's planet?

.....

- 5 How did the narrator feel about the dream?

.....

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 A plane is (expensive) than a car.
- 2 My mother usually (help) me.

6 Put the words in the correct order to form sentences:

2

- 1 humans – feel happy – daily – make – Animals.

.....

- 2 red – planet – called – Mars – is – the.

.....

7 Punctuate the following:

4

- 1 what did you see at the planetarium

.....

- 2 the moon shines brightly at night

.....

8 Write a text of FORTY (40) words using the words below:

"A visit to the farm"

What animals did you see there? – What did the farmer do? – How did you feel?

.....

.....

.....

Listening

1 Listen and write (T) True or (F) False:

2

- 1 Water buffaloes pull ploughs in fields. ()
- 2 Donkeys carry letters between cities. ()
- 3 Falcons hunt animals that damage crops. ()
- 4 Geckos eat insects in houses. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 A has round windows and travels to space.
a) car b) bike c) spaceship d) bus
- 2 Is Venus than Earth?
a) beautiful b) the most c) most beautiful d) more beautiful
- 3 A is a small lizard that eats insects inside houses.
a) falcon b) gecko c) scarab d) pigeon
- 4 the scarab beetle help make soil better?
a) Do b) Does c) Is d) Are

3 Read and complete the text with the words in the box:

2

farthest – largest – hottest – rings – planets

Our solar system has eight planets. Mercury is the smallest and closest to the Sun. Venus is the (1) planet. Jupiter is the (2) Saturn has beautiful (3) Neptune is the (4) from the Sun.

4 Read the text and answer the questions:

7

Rescue dolphins are amazing animals that help people in the sea. In some countries, these dolphins are trained to help people who are in danger in the water. They can find swimmers who are lost and guide them back to shore. Dolphins are very smart and can communicate with each other. They swim fast and can reach people quickly. These brave animals also help protect swimmers from sharks. They work together in groups to keep people safe. Dolphins show us that helping others is a very special job. Many people appreciate these friendly and intelligent sea animals because they save lives and work hard to protect humans in the ocean.

A Choose the correct answer from a, b, c, or d:

- 1 Rescue dolphins help people who are in danger in the
a) desert b) forest c) sea d) mountains
- 2 The underlined word "intelligent" means
a) brave b) smart c) fast d) strong

B Answer the following questions:

- 3 Where do rescue dolphins work?
.....
- 4 How do dolphins help protect swimmers?
.....
- 5 Why do people appreciate dolphins?
.....

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 Jupiter is the (large) planet.
- 2 Look! Ali (play) with a ball.

6 Put the words in the correct order to form sentences:

2

- 1 people – Guide dogs – help – blind – cross – safely.
.....
- 2 light – heat – gives – The – Sun – and.
.....

7 Punctuate the following:

4

1 did you see an alien in your dream

Egypt's first female astronaut

astronaut – engineer – space

.....

.....

.....

Listening

1 Listen and write (T) True or (F) False:

2

- 1 Egrets eat insects. ()
- 2 Egrets harm crops. ()
- 3 Farmers like egrets. ()
- 4 Egrets help protect plants. ()

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 Space is very at night.
a) bright b) dark c) shiny d) colorful
- 2 This is the lesson in the unit.
a) difficult b) more difficult c) most difficult d) the more
- 3 The children football in the field at the moment.
a) play b) plays c) is playing d) are playing
- 4 A is a person who grows food and raises animals.
a) doctor b) teacher c) farmer d) driver

3 Read and complete the text with the words in the box:

2

largest – inspire – dreams – universe – engineer

Sara Sabry is the first Egyptian female astronaut. She is also an Arab (1) She traveled to space in 2022. She wants to (2) young people to follow their (3) She learned that Mars is drier than Earth. Jupiter is the largest planet. She realized how small our planet is compared to the (4)

4 Read the text and answer the questions:

7

Egrets are beautiful white birds that live near farms and rivers. They help farmers by eating insects that harm crops. Egrets have long legs that help them walk through water. They also have sharp beaks to catch hoppers quickly. These birds often work alongside water buffaloes in the fields. They sometimes stand on the buffaloes' backs to get a better view. The egret eats flies that bother the buffalo, and the buffalo doesn't mind. Farmers don't need to use as many chemicals because of these birds. Egrets can eat hundreds of insects in a single day. Farmers appreciate these beautiful birds because they provide natural insect control.

A Choose the correct answer from a, b, c, or d:

- 1 Egrets help farmers by eating that harm crops.
a) birds b) insects c) plants d) fish
- 2 The underlined word "appreciate" means
a) hate b) ignore c) value d) hurt

B Answer the following questions:

- 3 Where do egrets live?

.....

- 4 What helps egrets walk through water?

.....

- 5 Why don't farmers need to use many chemicals?

.....

Writing

5 Read and write the correct form of the word(s) between brackets:

In Egypt, animals help people in daily life. Water buffaloes pull ploughs to prepare the fields for crops. Donkeys carry heavy loads through villages and to the market. Pigeons carry messages between places. Farmers rely on these animals because they make work easier. Chickens provide eggs every morning. Cats catch mice that may eat grain. Dogs guard sheep and help them stay safe. Farmers take good care of their animals because they work hard and support people.

A Choose the correct answer from a, b, c, or d:

- 1 Water buffaloes work in the
a) sky b) **fields** c) house d) sea
- 2 The main idea of the text is about animals that people.
a) play b) harm c) eat d) **support**

B Answer the following questions:

- 3 What do pigeons do?
Pigeons carry messages between places.
- 4 Why do farmers appreciate these animals?
Because they make work easier and support people.
- 5 Summarize the text in two sentences.
Animals help farmers in many ways. They make work easier and farmers take good care of them.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 She is **more careful** (careful) than her brother.
- 2 He **goes** (go) to school by bus every day.

6 Put the words in the correct order to form sentences:

2

- 1 in water – often – people – **Dolphins** – help.
Dolphins often help people in water.
- 2 than – Earth – smaller – is – **Mercury**.
Mercury is smaller than Earth.

7 Punctuate the following:

4

- 1 we went to the planetarium yesterday
We went to the planetarium yesterday.
- 2 do horses make people feel calm
Do horses make people feel calm?

8 Write a text of FORTY (40) words using the words below:

A visit to the planetarium

planetarium – guide – big screen

Yesterday, I visited the planetarium with my class. The guide showed us the big screen with stars and planets. We saw the Sun, Moon, and Mars. It was exciting to learn about space. I want to visit it again.

Listening

1 Listen and write (T) True or (F) False:

2

Many animals help people in their daily lives. Police dogs are brave and smart. They help officers find lost people and catch criminals. Guide dogs help blind people walk safely and cross streets. On farms, cows give fresh milk every day. Sheep give wool to make warm clothes. Donkeys carry heavy loads to markets. These animals work hard and show that helping people is a very special job.

- 1 Police dogs help officers find criminals. (T)
- 2 Guide dogs help blind people drive cars. (F)
- 3 Sheep give wool for clothes. (T)
- 4 Donkeys carry heavy loads to markets. (T)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 We need to finish our school project faster.
a) sunlight b) teamwork c) iron d) soil
- 2 Mercury is than Earth.
a) small b) smaller c) smallest d) the smallest
- 3 Look! The birds over the fields.
a) fly b) flies c) is flying d) are flying
- 4 Donkeys carry heavy through villages and to markets.
a) loads b) birds c) insects d) water

3 Read and complete the text with the words in the box:

2

beak – chemicals – narrator – wildlife – hoppers

I am watching a documentary about animal helpers right now. The (1) narrator says that egrets help farmers by eating insects. On the screen, an egret is catching (2) hoppers with its sharp (3) beak. Farmers don't need to use many (4) chemicals because of these birds.

4 Read the text and answer the questions:

7

Last night, I had a wonderful dream. I was inside a big, shiny spaceship with round windows. The rocket went up into the dark sky. Outside, the bright Moon looked like a lamp. When the spaceship landed, I saw a fun playground in space. The houses were like soft clouds, and the children played football with the glowing star-ball. We laughed and played together. It was a happy and fun place. When I woke up, I still remembered the bright colors in space. I was very excited.

A Choose the correct answer from a, b, c, or d:

- 1 In the dream, the Moon looked like a
a) ball b) **lamp** c) star d) clock
- 2 The underlined word "glowing" means
a) dark b) cold c) **shining** d) heavy

B Answer the following questions:

- 3 What did the narrator see when the spaceship landed?
He saw a fun playground in space.
- 4 What were the houses like on the alien's planet?
They were like soft clouds.
- 5 How did the narrator feel about the dream?
He was very excited and happy.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 A plane is **more expensive** (expensive) than a car.
- 2 My mother usually **helps** (help) me.

6 Put the words in the correct order to form sentences:

2

- 1 humans – feel happy – daily – make – Animals.
Animals make humans feel happy daily.
- 2 red – planet – called – Mars – is – the.
Mars is called the red planet.

7 Punctuate the following:

4

- 1 what did you see at the planetarium
What did you see at the planetarium?
- 2 the moon shines brightly at night
The moon shines brightly at night.

8 Write a text of FORTY (40) words using the words below:

7

"A visit to the farm"

What animals did you see there? – What did the farmer do? – How did you feel?

Last week, I visited a farm. I saw cows, sheep, and chickens. The farmer was milking a cow. He fed the animals and showed us the fields. The dog was guarding the sheep. It was a great day. I learned a lot.

Listening

1 Listen and write (T) True or (F) False:

2

On farms, animals help farmers every day. Water buffaloes pull ploughs in the fields to prepare the soil for crops. Donkeys carry heavy baskets of fruits and vegetables to the market. Pigeons can carry letters between places. Falcons hunt small animals that damage crops. Geckos climb walls and eat insects inside houses. These animals help people live better and work faster.

- 1 Water buffaloes pull ploughs in fields. (T)
- 2 Donkeys carry letters between cities. (F)
- 3 Falcons hunt animals that damage crops. (T)
- 4 Geckos eat insects in houses. (T)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 A has round windows and travels to space.
a) car b) bike c) **spaceship** d) bus
- 2 Is Venus than Earth?
a) beautiful b) the most c) most beautiful d) **more beautiful**
- 3 A is a small lizard that eats insects inside houses.
a) falcon b) **gecko** c) scarab d) pigeon
- 4 the scarab beetle help make soil better?
a) Do b) **Does** c) Is d) Are

3 Read and complete the text with the words in the box:

2

farthest – largest – hottest – rings – planets

Our solar system has eight planets. Mercury is the smallest and closest to the Sun. Venus is the (1) **hottest** planet. Jupiter is the (2) **largest**. Saturn has beautiful (3) **rings**. Neptune is the (4) **farthest** from the Sun.

4 Read the text and answer the questions:

7

Rescue dolphins are amazing animals that help people in the sea. In some countries, these dolphins are trained to help people who are in danger in the water. They can find swimmers who are lost and guide them back to shore. Dolphins are very smart and can communicate with each other. They swim fast and can reach people quickly. These brave animals also help protect swimmers from sharks. They work together in groups to keep people safe. Dolphins show us that helping others is a very special job. Many people appreciate these friendly and intelligent sea animals because they save lives and work hard to protect humans in the ocean.

A Choose the correct answer from a, b, c, or d:

- 1 Rescue dolphins help people who are in danger in the
a) desert b) forest c) sea d) mountains
- 2 The underlined word "intelligent" means
a) brave b) smart c) fast d) strong

B Answer the following questions:

- 3 Where do rescue dolphins work?
They work in the sea.
- 4 How do dolphins help protect swimmers?
They protect swimmers from sharks.
- 5 Why do people appreciate dolphins?
Because they save lives and work hard to protect humans.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 Jupiter is the largest (large) planet.
- 2 Look! Ali is playing (play) with a ball.

6 Put the words in the correct order to form sentences:

2

- 1 people – Guide dogs – help – blind – cross – safely.
Guide dogs help blind people cross safely.
- 2 light – heat – gives – The – Sun – and.
The Sun gives light and heat.

7 Punctuate the following:

4

- 1 did you see an alien in your dream
Did you see an alien in your dream?
- 2 the teacher explained the lesson clearly
The teacher explained the lesson clearly.

8 Write a text of FORTY (40) words using the words below:

7

Egypt's first female astronaut

astronaut – engineer – space

Sara Sabry is the first Egyptian female astronaut. She is an engineer. In 2022, she traveled to space. She wants to inspire young people to follow their dreams. She studied the planets and saw Earth from space. She is a hero.

Listening

1 Listen and write (T) True or (F) False:

2

Some birds help farmers in nature. Egrets are white birds that live near water and farms. They eat insects that harm crops. Sometimes they stand on water buffaloes' backs to see insects clearly. Farmers like these birds because they help protect plants naturally. Because of them, farmers do not need many chemicals on their crops.

- 1 Egrets eat insects. (T)
- 2 Egrets harm crops. (F)
- 3 Farmers like egrets. (T)
- 4 Egrets help protect plants. (T)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 Space is very at night.
a) bright b) **dark** c) shiny d) colorful
- 2 This is the lesson in the unit.
a) difficult b) more difficult c) **most difficult** d) the more
- 3 The children football in the field at the moment.
a) play b) plays c) is playing d) **are playing**
- 4 A is a person who grows food and raises animals.
a) doctor b) teacher c) **farmer** d) driver

3 Read and complete the text with the words in the box:

2

largest – inspire – dreams – universe – engineer

Sara Sabry is the first Egyptian female astronaut. She is also an Arab (1) **engineer**. She traveled to space in 2022. She wants to (2) **inspire** young people to follow their (3) **dreams**. She learned that Mars is drier than Earth. Jupiter is the largest planet. She realized how small our planet is compared to the (4) **universe**.

4 Read the text and answer the questions:

7

Egrets are beautiful white birds that live near farms and rivers. They help farmers by eating insects that harm crops. Egrets have long legs that help them walk through water. They also have sharp beaks to catch hoppers quickly. These birds often work alongside water buffaloes in the fields. They sometimes stand on the buffaloes' backs to get a better view. The egret eats flies that bother the buffalo, and the buffalo doesn't mind. Farmers don't need to use as many chemicals because of these birds. Egrets can eat hundreds of insects in a single day. Farmers appreciate these beautiful birds because they provide natural insect control.

A Choose the correct answer from a, b, c, or d:

- 1 Egrets help farmers by eating that harm crops.
a) birds b) insects c) plants d) fish
- 2 The underlined word "appreciate" means
a) hate b) ignore c) value d) hurt

B Answer the following questions:

- 3 Where do egrets live?
They live near farms and rivers.
- 4 What helps egrets walk through water?
Their long legs.
- 5 Why don't farmers need to use many chemicals?
Because egrets eat insects that harm crops.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 This spaceship is better (good) than that rocket.
- 2 Ahmed does not go (not go) to school on Fridays.

6 Put the words in the correct order to form sentences:

2

- 1 buffaloes – fields – pull – Water – ploughs – through
Water buffaloes pull ploughs through fields.
- 2 together – makes – job – Working – easier – the
Working together makes the job easier.

7 Punctuate the following:

4

- 1 The milky Way is our galaxy
The Milky Way is our galaxy.
- 2 what does a guide dog do
What does a guide dog do?

8 Write a text of FORTY (40) words using the words below:

7

The importance of teamwork

classmates – worked together – teamwork

My classmates and I made a poster about planets. At first, it was hard. But we worked together and helped each other. The poster became bright and clear. Teamwork makes the job easier and better. I love working with my friends.

Listening

1 Listen and write (T) True or (F) False:

2

"Sara Sabry is a great inspiration for all young people in Egypt. She is a professional engineer who worked very hard to follow her dreams. In 2022, she made history by becoming the first Egyptian female astronaut to travel into space. She wants everyone to believe that nothing is impossible if you study hard and believe in yourself."

- 1 Sara Sabry is from Egypt. (T)
- 2 She went to space in 2020. (F)
- 3 She is an engineer. (T)
- 4 She wants to help young people. (T)

Reading

2 Choose the correct answer from a, b, c, or d:

2

- 1 Which is Mercury or Earth?
a) small b) smaller c) smallest d) the small
- 2 The is everything in space.
a) machine b) iron c) universe d) soil
- 3 Look! The farmer a cow right now.
a) milks b) is milking c) milk d) are milking
- 4 Sheep give us thick to make warm clothes.
a) milk b) meat c) eggs d) wool

3 Read and complete the text with the words in the box:

2

Moon – playground – spaceship – alien – lights

Last night, I had a dream. I was inside a big, shiny (1) **spaceship**. The rocket went up into the dark sky. The bright (2) **Moon** looked like a lamp, and the stars were like small (3) **lights**. When I landed, I saw a fun playground. A kind (4) **alien** showed me his planet.

4 Read the text and answer the questions:

7

In Egypt, many animals work hard to help people. Water buffaloes pull ploughs through fields to prepare the soil. Donkeys carry crops, water, and supplies to markets and villages. Pigeons carry messages between places. Chickens lay eggs every morning, while cats catch mice that may eat grain. Dogs guard the sheep. Farmers depend on their animals because they make work easier and protect the crops. People respect these animals for their hard work. Animals help families every day, supporting life on the farm in many ways.

A Choose the correct answer from a, b, c, or d:

- 1 Donkeys carry to markets.
a) **heavy loads** b) books c) milk d) toys
- 2 Cats catch
a) eggs b) people c) insects d) **mice**

B Answer the following questions:

- 3 What do pigeons do?
Pigeons carry messages between places.
- 4 How do dogs help farmers?
Dogs guard the sheep.
- 5 Summarize the text in two sentences.
Animals help farmers in many ways. They make work easier and protect the farm.

Writing

5 Read and write the correct form of the word(s) between brackets:

4

- 1 Uranus is **colder** (cold) than Earth.
- 2 I am **packing** (pack) my suitcase now.

6 Put the words in the correct order to form sentences:

2

- 1 standing – buffalo – Is – the – on – egret – the?
Is the egret standing on the buffalo?
- 2 morning – for – Chickens – eggs – lay – every – breakfast
Chickens lay eggs every morning for breakfast.

7 Punctuate the following:

4

- 1 Do you want to be an astronaut like sara
Do you want to be an astronaut like Sara?
- 2 donkeys can carry heavy loads
Donkeys can carry heavy loads.

8 Write a text of FORTY (40) words using the words below:

7

"Egrets help farmers"

birds – insects – protect

Egrets are beautiful white birds. They usually help farmers. They eat insects that harm crops. They have long legs to walk in water. Farmers like them because they protect plants. Egrets are helpful birds. I think they are amazing.

Test 1

1 Choose the correct answer from a, b, c, or d.

- 1- The is the center of our solar system.
a) Saturn b) galaxy c) sun d) Jupiter
- 2- A is a strong bird that hunts from the sky.
a) donkey b) falcon c) pigeon d) buffalo
- 3- is called the Red Planet because of its color.
a) Saturn b) Mercury c) Mars d) Galaxy
- 4- The helps farmers plow the fields.
a) water buffalo b) sheep c) donkey d) guide dog

2 Read and complete the text with the words in the box.

(loads – donkey – crops – farmer – sheep)

The farmer works hard every day on his land. He grows different (1) like wheat and corn. The (2) eat grass nearby. His (3) carries heavy (4) of vegetables to the market. Together they travel long routes through the village to sell fresh food and help the community.

3 Punctuate the following.

the moon shines brightly at night

.....

sheep eat grass under the big tree

.....

Test 2

1 Choose the correct answer from a, b, c, or d.

- 1- climb walls easily and eat insects.
a) Falcons b) Scarab beetles c) Geckos d) Frogs
- 2- work in the soil and break down waste.
a) Falcons b) Scarab beetles c) Bees d) Egrets
- 3- planet is described as the largest planet.
a) Saturn b) Jupiter c) Mars d) Earth
- 4- revolves around the Earth and shines at night.
a) Mars b) Jupiter c) Moon d) Venus

2 Read and write the correct form of the word(s) between brackets.

- 1- The gecko (climb) on the wall at the moment.
- 2- The farmer (feeding) the animals every morning.
- 3- The new teacher explains (good) than the video.
- 4- Jupiter is the..... (big) planet in the Solar System.

3 Put the words in the correct order to make sentences.

- 1- light - heat - gives - The - sun - and .

.....

- 2- pull - Water buffaloes - ploughs - usually - on farms .

.....

Test 3

1 Choose the correct answer from a, b, c, or d.

- 1- is the galaxy that contains our Solar System.
a) Milky Way b) Earth c) Moon d) Jupiter
- 2- give us milk every day for drinking and making cheese.
a) Horses b) Cows c) Donkeys d) Sheep
- 3- is small and has very high temperatures.
a) Mercury b) Jupiter c) Saturn d) Galaxy have
- 4- are calm, careful animals that help blind people walk safely.
a) Guide dogs b) Sheep c) Horses d) Dolphins

2 Read and complete the text with the words in the box.

sun – galaxy – Earth – solar system – stars

Our Solar System is part of a large (1) that contains millions of shining (2) The (3) provides heat and light that allow life to grow. On (4), people study space to understand how planets move and how the sun affects the weather and seasons throughout the year.

3 Read and write the correct form of the word(s) between brackets.

- 1- Look! The bees (fly) around the flowers.
- 2- That fish is (colorful) animal in the pond.

Test 1

1 Choose the correct answer from a, b, c, or d.

- 1- Theis the center of our solar system.
a) Saturn b) galaxy c) sun d) Jupiter
- 2- Ais a strong bird that hunts from the sky.
a) donkey b) falcon c) pigeon d) buffalo
- 3- is called the Red Planet because of its color.
a) Saturn b) Mercury c) Mars d) Galaxy
- 4- Thehelps farmers plow the fields.
a) water buffalo b) sheep c) donkey d) guide dog

2 Read and complete the text with the words in the box.

(loads – donkey – crops – farmer – sheep)

The farmer works hard every day on his land. He grows different

(1) **crops** like wheat and corn. The (2) **sheep** eat grass nearby.

His (3) **donkey** carries heavy (4) **loads** of vegetables to the market.

Together they travel long routes through the village to sell fresh food and help the community.

3 Punctuate the following.

The moon shines brightly at night.

Sheep eat grass under the big tree.

Test 2

1 Choose the correct answer from a, b, c, or d.

- 1- climb walls easily and eat insects.
a) Falcons b) Scarab beetles c) Geckos d) Frogs
- 2- work in the soil and break down waste.
a) Falcons b) Scarab beetles c) Bees d) Egrets
- 3- planet is described as the largest planet.
a) Saturn b) Jupiter c) Mars d) Earth
- 4- revolves around the Earth and shines at night.
a) Mars b) Jupiter c) Moon d) Venus

2 Read and write the correct form of the word(s) between brackets.

- 1- The gecko is climbing on the wall at the moment.
- 2- The farmer feeds the animals every morning.
- 3- The new teacher explains better than the video.
- 4- Jupiter is the biggest planet in the Solar System.

3 Put the words in the correct order to make sentences.

- 1- The sun gives heat and light.
- 2- Water buffaloes usually pull ploughs on farms.

Test 3

1 Choose the correct answer from a, b, c, or d.

- 1- is the galaxy that contains our Solar System.
a) Milky Way b) Earth c) Moon d) Jupiter
- 2- give us milk every day for drinking and making cheese.
a) Horses b) Cows c) Donkeys d) Sheep
- 3- is small and has very high temperatures.
a) Mercury b) Jupiter c) Saturn d) Galaxy have
- 4- are calm, careful animals that help blind people walk safely.
a) Guide dogs b) Sheep c) Horses d) Dolphins

2 Read and complete the text with the words in the box.

(sun – galaxy – Earth – solar system – stars)

Our Solar System is part of a large (1) **galaxy** that contains millions of shining (2) **stars**. The (3) **sun** provides heat and light that allow life to grow. On (4) **Earth**, people study space to understand how planets move and how the sun affects the weather and seasons throughout the year.

3 Read and write the correct form of the word(s) between brackets.

- 1- Look! The bees are flying around the flowers.
- 2- That fish is the most colorful animal in the pond.

2. Cows give milk, and sheep provide wool. ()
3. A cat guards the sheep on the farm. ()
4. Omar learns that animals help people in many ways. ()

(B) Reading

2 Choose the correct answer from a, b, c or d:

1. The took off and flew high into the sky.
 a. rocket b. bike c. car d. boat
2. Scientists study the to learn about stars and planets.
 a. classroom b. universe c. garden d. street
3. Aya is beautiful girl in my classroom.
 a. the most b. the more c. more d. most
4. We dinner at the moment, so we cannot answer the phone.
 a. have b. has c. are having d. had

3 Read and complete the text with the words in the box:

travel – largest – inspire – small – solar system

Sara Sabry is a famous Egyptian astronaut who traveled into space in 2022. She wants to (1) young people to follow their dreams and believe in themselves. She studied the (2) and the planets carefully. She explained that Jupiter is the (3) planet. Seeing Earth from space showed her how (4) it is in the large universe.

4 Read the text and answer the questions:

Ahmed was studying the Milky Way in his science class. He learned that it is the galaxy where Earth and the Sun are. It appears as a glowing band of stars in the night sky. The galaxy spins in a wide circle and contains billions of stars, along with planets, moons, comets, and asteroids. Ahmed discovered that our solar system lies near its edge. He was surprised to know that the Sun needs about 230 million years to complete one orbit around the Milky Way, and light takes thousands of years to travel across it.

(A) Choose the correct answer from a, b, c or d:

1. The meaning of the underlined word "wide" is
a. near b. big c. small d. little
2. The Milky Way appears as a glowing band of
a. planets b. dust c. comets d. stars

(B) Answer the following questions:

3. What is the main idea of the text?
.....
4. Why do you think light takes thousands of years to cross our galaxy?
.....
5. What does the underlined pronoun "He" refer to?
.....

(C) Writing

5 Read and write the correct form of the word(s) between brackets:

1. Hany is (tall) than Yasser.
2. My friend always (arrive) late at school.

6 Put the words in the correct order to form sentences:

1. easier. – makes – Working – together – the job
.....
2. fly – Egrets – different – to – fields – food. – to find – their
.....

7 Punctuate the following:

1. The milky Way is so huge
.....
2. which planets are drier than Earth
.....

8 Write a paragraph of FORTY (40) words using the words below:

“Teamwork”

(classmate – difficult – enjoy)

.....

.....

.....

.....

.....

GOOD LUCK

(A) Listening

1 Listen and write (T) True or (F) False:

1. Sara Sabry is an astronaut from Egypt. ()
2. She traveled into space in 2010. ()
3. She wants to inspire young people. ()
4. She realized how big Earth is compared to the universe. ()

(B) Reading

2 Choose the correct answer from a, b, c or d:

1. Scientists study to learn more about space rocks.
 a. clouds b. plants c. asteroids d. animals
2. A/An wears a special suit before going into space.
 a. teacher b. astronaut c. farmer d. chef
3. My father coffee every morning.
 a. drink b. drank c. is drinking d. drinks
4. This is the day of my life because I won the first prize.
 a. happy b. happier c. happiest d. more happy

3 Read and complete the text with the words in the box:

rockets – stars – Jupiter – galaxy – rings

Doha and Maged visit a space museum to learn about planets and stars. The guide explains that (1) is the largest planet in the solar system. They also learn that Saturn has beautiful (2) around it. The solar system is part of the Milky Way (3) On the screen, they see many bright (4) shining in space.

4 Read the text and answer the questions:

I'm reading about helpful animals on farms. Egrets support farmers by eating insects that damage crops. In the fields, a white egret stands quietly, then quickly catches grasshoppers with its sharp beak. Its long legs help it walk through water easily. Egrets often stay near water buffaloes. Sometimes, egrets stand on them to get a better view. They eat the flies that bother the buffaloes. These birds travel between fields to find food. They can eat many insects every day. Farmers like them because they protect crops and help reduce chemicals.

(A) Choose the correct answer from a, b, c or d:

1. The underlined word "damage" means
a. harm b. keep c. protect d. help
2. Egrets catch quickly with their sharp beaks.
a. plants b. buffaloes c. grasshoppers d. farmers

(B) Answer the following questions:

3. Why do egrets travel between fields?
.....

4. What does the underlined word "Its" refer to?
.....

5. Summarize the text in one sentence.
.....

(C) Writing

5 Read and write the correct form of the word(s) between brackets:

1. Neptune is (distant) planet from the Sun.
2. The movie is (interesting) than the play.

6 Put the words in the correct order to form sentences:

1. brave – dogs – are – Police – smart. – very – and

2. like – sky. – were – The stars – small – in the – lights

7 Punctuate the following:

1. omar is visiting his uncle's farm today

2. what kind of jobs do they do

8 Write a paragraph of FORTY (40) words using the words below:

"The Milky Way"

- What is the Milky Way?
- What's inside it?
- Where is our solar system?

GOOD LUCK

Test 1 Answers

(A) Listening

Listening Script:

The students watch a documentary about egrets, birds that help farmers. Egrets eat insects that harm crops and flies that bother buffaloes. They walk in fields and sometimes stand on buffaloes' backs. Farmers use fewer chemicals because of them. Egrets can eat many insects every day and move between fields. Their white feathers make them easy to see.

1 Listen and write (T) True or (F) False:

1. (T)

2. (T)

3. (F)

4. (F)

(B) Reading

2 Choose the correct answer from a, b, c or d:

1. (b)

2. (c)

3. (a)

4. (b)

3 Read and complete the text with the words in the box:

1. spaceship

2. Moon

3. alien

4. happy

4 Read the text and answer the questions:

(A) Choose the correct answer from a, b, c or d:

1. (b)

2. (a)

(B) Answer the following questions:

3. the underlined word "its" refers to Mars.

4. Mercury, Venus, Earth, and Mars are the small planets.

5. I visited the planetarium with my family and learned about the solar system, planets, stars, and how our solar system is part of the Milky Way Galaxy.

(C) Writing

5 Read and write the correct form of the word(s) between brackets:

1. isn't doing 2. fastest

6 Put the words in the correct order to form sentences:

1. The planet poster was bright and clear.
2. Pigeons carry notes and letters between different places.

7 Punctuate the following:

1. Sara Sabry is the first Egyptian female astronaut.
2. Did you know that some animals have real jobs?

8 Write a paragraph of FORTY (40) words using the words below:

- Sara Sabry is the first Egyptian woman to travel into space. She **studied** the solar system. She also described how other **planets** differ from Earth. Seeing Earth from **space** made her realize how small our planet is compared to the universe.

Test 2 Answers

(A) Listening

Listening Script:

At the space museum, Maha and Hazem learn about the solar system. They see planets like Mercury, Venus, Earth, and Mars. The guide explains that Jupiter is the largest planet and Saturn is famous for its rings. They also learn about stars and galaxies. The guide tells them that the solar system is part of the Milky Way galaxy.

المراجعة رقم (6)

اختبار شهر ابريل

Second Term

April Revision

هدية كتاب Step Ahead لطلاب الصف الخامس بالإجابات النموذجية

مراجعة شهر أبريل استعدادًا لامتحان شهر أبريل على (3-4) Units

Revision on Unit (4)

السؤال الأول في الامتحان

1 Listen and write (T) True or (F) False:

1. Ahmed wakes up late in the village. ()
2. Ahmed ignores the plants and does not check for pests. ()
3. The water buffalo helps Ahmed plough the fields. ()
4. Ahmed is happy to see the young crops growing strong. ()

2 Listen and write (T) True or (F) False:

1. The farmer takes care of his farm every day. ()
2. The sheep's wool is cut every month. ()
3. The farmer collects eggs from the chickens. ()
4. Milk, wool, and eggs are stored in the barn. ()

السؤال الثاني في الامتحان

2 Choose the correct answer from a, b, c, or d:

1. Some birds have colorful that help them fly.
a) fur b) scales c) feathers d) paws
2. The police use to help catch criminals.
a) cows b) cats c) rabbits d) guard dogs
3. The farmers use to turn the soil in the fields.
a) ploughs b) rulers c) eraser d) forks
4. A bird uses its to pick up food.
a) paw b) claw c) beak d) hoof
5. Large help farmers pull heavy loads in the fields.
a) cats b) water buffalo c) ants d) dogs
6. National parks protect such as lions, elephants, and deer.
a) cars b) buildings c) wildlife d) crops

7. Blind people often use to help them move safely.
a) guide dogs b) bicycles c) sticks d) cars
8. Police are responsible for keeping communities safe.
a) chefs b) farmers c) teachers d) officers
9. Police catch who break the law.
a) tourists b) criminals c) farmers d) workers
10. The farmer stores milk, wool, and eggs safely in the
a) barn b) field c) river d) market
11. We to music right now.
a) listened b) are listening c) listens d) listening
12. I always my homework after school.
a) doing b) does c) did d) do
13. They dinner at the moment.
a) eat b) eats c) are eating d) ate
14. I a cake in the kitchen now.
a) am baking b) baked c) bakes d) bake
15. She English every day at school.
a) study b) studying c) studied d) studies
16. She is her friends at the park now.
a) meet b) meets c) met d) meeting
17. Water buffaloes are ploughs on Egyptian farms.
a) pull b) pulling c) pulls d) pulled
18. Falcons small animals to eat.
a) hunts b) hunt c) hunting d) hunted
19. He football on Saturdays.
a) play b) playing c) plays d) played
20. A lion usually meat.
a) eating b) eats c) ate d) eat

السؤال الثالث في الامتحان

3 Read and complete the text with the words in the box:

1

milking - wool - working - fresh - dog

Ali and his family are visiting his uncle's farm today. They see many animals ① hard. The farmer is ② a cow, and the cows give fresh milk. Sheep eat grass, and their ③ is cut once a year. A smart ④ is running around, guarding the sheep carefully.

2

Police - monkeys - dolphins - job - blind

Many animals have important jobs that help people. ① dogs find lost people and catch criminals. Guide dogs help ② people walk safely. Some horses help people feel calm. Rescue ③ save people in danger at sea. These animals show that helping others is a very special ④

السؤال الرابع في الامتحان

4 Read the text and answer the questions:

In Egypt, many animals help people in daily life. Water buffaloes pull ploughs to prepare the soil, and donkeys carry heavy loads to markets. Pigeons deliver messages, while falcons hunt small animals that damage crops. Geckos eat insects in homes, and scarab beetles work in the soil to improve it. All these animals play important roles, showing how people and animals can work together. They help farms, homes, and communities in many useful ways.

A

Choose the correct answer from a, b, c, or d:

1. Water buffaloes help farmers by
 - a) carrying messages
 - b) hunting rats
 - c) pulling ploughs
 - d) climbing walls

2. Geckos are useful because they
- a) eat insects in homes b) work in the soil
- c) deliver letters d) pull heavy loads

B Answer the following questions:

3. Name two animals that help on farms in Egypt.

▶

4. What job do pigeons do for people?

▶

5. How do these animals show humans and animals can work together?

▶

السؤال الخامس في الامتحان

5 Read and write the correct form of the word(s) between brackets:

- (Did) they carrying baskets to the market right now?
- (Are) the farmer milk the cows daily?
- Egrets (don't) eating insects on the buffalo's back at this time.
- Geckos (eat) insects in homes at the moment.
- We (helped) our parents in the garden on Fridays.
- She (feed) the chickens in the yard right now.
- I (not / go) to the market everyday.
- We (watching) the birds in the garden every morning.
- Right now, the dog (guard) the sheep.
- She (not / like) spicy food.

السؤال السادس في الامتحان

6 Put the words in the correct order to form sentences:

1. animals - Many - work - to help - people - daily.

▶

2. up - early - Ahmed - every - wakes - morning.

▶

3. help - pull - Water buffalos - ploughs - him - fields.

▶

4. cows - feeds - and - sheep - daily - He.

▶

5. Donkeys - loads - heavy - to markets - carry - and villages.

6. is - stored - the barn - Everything - safely - in.

7. help - hunting - Falcons - small - farmers - animals.

8. wildlife - am - watching - I - documentary - now.

9. crops - Insects - in - the - harm - field.

10. long - them - have - Egrets - legs - help - walk.

السؤال السابع في الامتحان

7

Punctuate the following:

1. it is catching hoppers that eat the rice plants

2. are there any animals that help in the water

3. many animals work hard to help people

4. the farmer is milking a cow in the field

5. what is the donkey carrying

6. what do the sheep provide once a year

7. the egret is standing in the water catching insects

8. do you drink milk for breakfast

9. some guide dogs are for blind people

10. the water buffalo helps the farmer pull the plough

Revision on Unit (5)

السؤال الأول في الامتحان

1 Listen and write (T) True or (F) False:

1. Amina and Omar are learning about the solar system. ()
2. Mars is called the Blue Planet. ()
3. Jupiter is the smallest planet in the solar system. ()
4. Our galaxy is called the Milky Way. ()

2 Listen and write (T) True or (F) False:

1. The boy had a dream about a big, shiny spaceship. ()
2. The swings in the space playground were made of wood. ()
3. The alien wasn't very kind and had big eyes. ()
4. The children played football with a glowing star-ball. ()

السؤال الثاني في الامتحان

2 Choose the correct answer from a, b, c, or d:

1. We can see the in the sky during the daytime.
a) Mars b) Sun c) Moon d) Galaxy
2. Saturn is very famous because it has beautiful shiny
a) clouds b) rocks c) moons d) rings
3. The planet where we live and find water is called
a) Earth b) Venus c) Neptune d) Mercury
4. Because its soil is rich in iron, looks like a red planet.
a) Jupiter b) Venus c) Mars d) Saturn
5. A is a massive group of billions of stars and planets.
a) galaxy b) rocket c) spaceship d) museum
6. is the largest of all the planets in our solar system.
a) Earth b) Jupiter c) Uranus d) Mercury
7. The planet closest to the Sun and the smallest in size is
a) Neptune b) Mars c) Mercury d) Venus
8. The Sun and Earth are part of a galaxy called the
a) Red Way b) Blue Hole c) Space Station d) Milky Way

9. Sara Sabry is a famous who traveled into space.
a) guide b) scientist c) astronaut d) doctor
10. Adam and Nada learned that makes the work easier.
a) teamwork b) homework c) housework d) schoolwork
11. To go up into space, astronauts travel inside a powerful
a) ferry b) rocket c) bus d) boat
12. A/An is a kind of vehicle designed to explore space.
a) asteroid b) spaceship c) star-ball d) comet
13. A rocket is fast, but light is
a) taller b) tallest c) fast d) faster
14. Jupiter is the planet in our solar system.
a) big b) biggest c) bigger d) more big
15. Traveling to Mars is than traveling to the Moon.
a) expensive b) expensiver
c) more expensive d) most expensive
16. The Sun is the star for people on Earth.
a) bright b) brightest c) brighter d) more bright
17. Venus is hot, but some people think Mercury is
a) hottest b) the hot c) hotter d) more hot
18. Amina's poster was the one in the whole class.
a) beautiful b) more beautiful
c) the most beautiful d) most beautiful
19. The astronaut felt in space than on Earth.
a) happy b) more happy c) happiest d) happier
20. Saturn is than Earth.
a) large b) larger c) largest d) more large
21. Mercury is the planet to the Sun.
a) closest b) closer c) close d) most close
22. This space story is than the one we read yesterday.
a) exciting b) more exciting c) most exciting d) the most exciting
23. An elephant is than a horse.
a) heavy b) more heavy c) heaviest d) heavier
24. Charlie is the student in our science class.
a) good b) better c) more good d) best

السؤال الثالث في الامتحان

3 Read and complete the text with the words in the box:

1 closest - center - orbiting - planet - stars

The Sun is a very big star at the center of our solar system. There are eight planets ① the Sun every day. Mercury is the ② planet to the Sun and it is very hot. Our ③, Earth, is the only place with life. All these planets and ④ are part of our big galaxy.

2 galaxy - astronaut - rocket - exciting - woman

Sara Sabry is a famous Egyptian astronaut who traveled into space. In 2022, she became the first Egyptian ① to reach the stars. She traveled on a powerful ② to see the Earth from above. It was an ③ trip for her and for all Egyptians. She hopes more people can explore our ④ in the future.

السؤال الرابع في الامتحان

4 Read the text and answer the questions:

Last week, Sara and her brother went to the space museum. They saw a great movie about the Milky Way, which is the name of our galaxy. The guide told them that the Sun is a big star at the center of our solar system. They learned that Mercury is the smallest planet and it is very close to the Sun. Sara liked Saturn the most because of its amazing rings. They felt very happy to learn new facts about space.

A Choose the correct answer from a, b, c, or d:

- The Sun is a big at the center of the solar system.
a) planet b) star c) moon d) rocket
- Sara and her brother were at the
a) park b) beach c) school d) space museum

B Answer the following questions:

3. What is the name of our galaxy?

▶

4. Which planet is the smallest in the solar system?

▶

5. Why did Sara like Saturn the most?

▶

السؤال الخامس في الامتحان

5 Read and write the correct form of the word(s) between brackets:

1. The Sun is much (big) than the Moon.

2. Neptune is the (far) planet from the Sun.

3. The astronaut's suit is (heavy) than my school jacket.

4. Science is (interesting) than art for some students.

5. Sara Sabry is the (famous) astronaut in Egypt.

6. This rocket model is the (difficult) one to build.

7. The Nile is the (long) river on our planet.

8. Space is (cold) than our atmosphere.

9. Adam is (old) than his sister, Nada.

10. Seeing the alien in my dream was the (funny) part of the story.

السؤال السادس في الامتحان

6 Put the words in the correct order to form sentences:

1. traveled - into - the - Sara Sabry - space.

▶

2. Earth – the blue - planet - The - called - is.

▶

3. are - galaxy - part - Stars - of - our.

▶

4. planet - Sun - **Mercury** - is - the - to - closest - the.

▶

5. easier - together - makes - **Working** - jobs.

▶

6. **Neptune** - farthest - the - is - planet.

▶

7. rings - around - **Are** - there - Saturn?

▶

8. guide - us - **The** - the - solar system - showed.

▶

9. space - shiny - **I** - spaceship - a - saw - in.

▶

10. poster - Nada - draw - did - the - **How**?

▶

السؤال السابع في الامتحان

7

Punctuate the following:

1. the milky way is our galaxy

▶

2. is Jupiter the largest planet here

▶

3. sara Sabry went into outer space

▶

4. Does mercury orbit the sun fast

▶

5. earth is the beautiful blue planet

▶

6. how many stars are in space

▶

7. teamwork makes all our jobs easier

8. Can we see rings around saturn

Test on Units 4&5

1 Listen and write (T) True or (F) False:

1. Ali is visiting his uncle's farm today. ()
2. The animals on the farm are sleeping all day. ()
3. The cows give fresh milk to the farmer. ()
4. The smart dog is guarding the chickens. ()

2 Choose the correct answer from a, b, c, or d:

1. When people work together, it is called
 a) teamwork b) schoolwork c) homework d) project
2. A bird uses its to pick up food.
 a) paw b) claw c) beak d) hoof
3. The blue whale is the animal in the ocean.
 a) big b) biggest c) bigger d) more big
4. They dinner at the moment.
 a) eat b) eats c) are eating d) ate

3 Read and complete the text with the words in the box:

Sun – moon – solar system – star – galaxy

Space is very big and contains billions of stars and planets. Our home is a massive ① called the Milky Way. It contains our ②, where eight planets orbit the Sun. The Sun is the brightest ③ we see. At night, the ④ shines beautifully in the dark sky.

4 Read the text and answer the questions:

Many animals have very special jobs that help people every day. For example, guide dogs are very important because they help blind people walk safely in the streets. Some horses work as rescue animals to save people who are in danger at sea or in the mountains. On farms, egrets are helpful because they eat the insects that harm the crops. These animals are like partners to humans. They show us that by working together, we can make our lives much easier and safer.

A Choose the correct answer from a, b, c, or d:

1. The main idea of the text is about
 a) animals that help people b) animals that sleep all day
 c) how to grow rice d) visiting the zoo
2. Egrets are useful on farms because they
 a) carry heavy loads b) eat harmful insects
 c) help blind people d) save people at sea

B Answer the following questions:

3. How do guide dogs help blind people?

▶

4. Where can rescue horses save people who are in danger?

▶

5. Summarize the importance of teamwork between humans and animals?

▶

5 Read and write the correct form of the word(s) between brackets:

1. Jupiter is the (large) planet in the solar system.
2. She (not like) spicy food.

6 Put the words in the correct order to make sentences:

1. Way - Our - is - galaxy - Milky- the.

▶

2. cows - feeds - and - sheep - daily - He.

▶ ?

7 Punctuate the following sentences:

1. Is mars called the red planet

▶

2. many animals work hard to help people

▶

8 Write a paragraph of (40) words using the following guiding elements:

“Your future job”

Ideas to help you:

astronaut - space - discover

Listening Scripts

Revision on Unit (4)

Listening script 1

Ahmed wakes up early in a small Egyptian village. He checks his animals and feeds the water buffalo, which help him plough the fields. After breakfast, he goes to the fields, walking among the crops. He carefully checks the plants for pests and is happy to see the young crops growing strong.

Listening script 2

A hardworking farmer cares for his farm every day. He feeds the cows and sheep and checks their health. The sheep's wool is cut once a year. In the morning, he milks the cows and collects eggs from chickens. Milk, wool, and eggs are stored safely in the barn.

Revision on Unit (5)

Listening script 1

Amina and Omar are at the space museum to learn about the solar system. The guide says that Mars is called the Red Planet. Jupiter is the largest planet in our solar system, while Saturn is famous for its shiny rings. All the stars we see are part of our galaxy, which is called the Milky Way.

Listening script 2

Last night, I had a dream about traveling in a big, shiny spaceship. Outside, the Moon and stars were very bright. When the spaceship landed, I saw a fun playground with swings made of light. I met a kind alien with big eyes. We played football with a glowing star-ball and had a wonderful time together.

Test on Units 4-5

"Today is a sunny day. Ali and his family are visiting his uncle's farm. There is so much to see! They can see many animals working hard in the fields. Look over there! The farmer is milking a cow, and the cows give fresh milk for everyone. Near the trees, the sheep are eating grass. Their wool is very thick, and it is cut once a year. A smart dog is running around, guarding the sheep carefully. It is a very busy day on the farm!"

Unit (4)

1 Listen and write (T) True or (F) False:

1. F 2. F 3. T 4. T

2 Listen and write (T) True or (F) False:

1. T 2. F 3. T 4. T

2 Choose the correct answer.....:

- | | |
|----------------------|------------------|
| 1. c) feathers | 2. d) guard dogs |
| 3. a) ploughs | 4. c) beak |
| 5. b) water buffalo | 6. c) wildlife |
| 7. a) guide dogs | 8. d) officers |
| 9. b) criminals | 10. a) barn |
| 11. b) are listening | 12. d) do |
| 13. c) are eating | 14. a) am baking |
| 15. d) studies | 16. d) meeting |
| 17. b) pulling | 18. b) hunt |
| 19. c) plays | 20. d) eat |

3 Read and complete the text.....:

1. working 2. milking
3. wool 4. dog

1. Police 2. blind
3. dolphins 4. job

4 Read the text and answer.....:

A Choose the correct answer:

1. c) pulling ploughs
2. a) eat insects in homes

B Answer the following questions:

3. Water buffaloes and donkeys help on farms in Egypt.
4. Pigeons deliver messages for people.
5. These animals show humans and animals can work together by helping on farms, in homes, and in communities in many useful ways.

5 Read and write the correct form.....:

1. Are 2. Does
3. aren't 4. are eating

5. help 6. is feeding
7. don't go 8. watch
9. is guarding 10. does not like

6 Put the words...:

- Many animals work daily to help people.
- Ahmed wakes up early every morning.
- Water buffaloes help him pull ploughs in fields.
- He feeds cows and sheep daily.
- Donkeys carry heavy loads to villages and markets.
- Everything is stored safely in the barn.
- Falcons help farmers by hunting small animals.
- I am watching a wildlife documentary now.
- Insects in the field harm crops.
- Egrets have long legs that help them walk.

4 Punctuate the following:

- It is catching hoppers that eat the rice plants.
- Are there any animals that help in the water?
- Many animals work hard to help people.
- The farmer is milking a cow in the field.
- What is the donkey carrying?
- What do the sheep provide once a year?
- The egret is standing in the water catching insects.
- Do you drink milk for breakfast?
- Some guide dogs are for blind people.
- The water buffalo helps the farmer pull the plough.

5 Write a paragraph.....:

1 Water Buffaloes and Donkeys

On the farm, water buffaloes help by pulling the plough through the fields. Donkeys carry heavy loads of crops and water to the barn. Together, these animals make farm work easier and help the farmer every day.

2 The Farmer's Daily Work

Every day, the farmer takes care of his farm. He feeds the chickens and collects their eggs. In the morning, he goes milking the cows. Then, he works in the fields, planting and watering the crops carefully.

Unit (5)

1 Listen and write (T) True or (F) False:

1. T 2. F 3. F 4. T

2 Listen and write (T) True or (F) False:

1. T 2. F 3. F 4. T

2 Choose the correct answer.....:

- | | |
|-----------------------|---------------------------|
| 1. b) Sun | 2. d) rings |
| 3. a) Earth | 4. c) Mars |
| 5. a) galaxy | 6. b) Jupiter |
| 7. c) Mercury | 8. d) Milky Way |
| 9. c) astronaut | 10. a) teamwork |
| 11. b) rocket | 12. b) spaceship |
| 13. d) faster | 14. b) biggest |
| 15. c) more expensive | 16. b) brightest |
| 17. c) hotter | 18. c) the most beautiful |
| 19. d) happier | 20. b) larger |
| 21. a) closest | 22. b) more exciting |
| 23. d) heavier | 24. d) best |

3 Read and complete the text.....:

1 (The Sun)

1. orbiting 2. closest
3. planet 4. stars

1 (Sara Sabry)

1. woman 2. rocket
3. exciting 4. galaxy

4 Read the text and answer.....:

A Choose the correct answer:

1. b. star 2. d. space museum

B Answer these questions:

3. Our galaxy is called the Milky Way.
4. Mercury is the smallest planet.

5. Because it has amazing rings.

5 Read and write the correct form.....:

- | | |
|----------------|---------------------|
| 1. bigger | 2. farthest |
| 3. heavier | 4. more interesting |
| 5. most famous | 6. most difficult |
| 7. longest | 8. colder |
| 9. older | 10. funniest |

6 Put the words....:

- Sara Sabry traveled into the space.
- The blue planet is called the Earth.
- Stars are part of our galaxy.
- Mercury is the closest planet to the Sun.
- Working together makes jobs easier.
- Neptune is the farthest planet.
- Are there rings around Saturn?
- The guide showed us the solar system.
- I saw a shiny spaceship in space.
- How did Nada draw the poster?

7 Punctuate the following:

- The Milky Way is our galaxy.
- Is Jupiter the largest planet here?
- Sara Sabry went into outer space.
- Does Mercury orbit the Sun fast?
- Earth is the beautiful blue planet.
- How many stars are in space?
- Teamwork makes all our jobs easier.
- Can we see rings around Saturn?

8 Write a paragraph.....:

1

The solar system

"Our solar system is amazing. It has eight planets that orbit the Sun. The Sun is at the center. We live on Earth. Our solar system is part of a big galaxy called the Milky Way. Each planet is different and special."

2

My Favorite Planet

"My favorite planet is Saturn. It is part of our solar system. It is very famous because it has

shiny rings around it. It is much larger than Earth.
I think it is the most beautiful planet in space.”

Test on Units 4&5

1 Listen and write (T) True or (F) False:

1. T 2. F 3. T 4. F

2 Choose the correct answer.....:

1. a) teamwork 2. c) beak
3. b) biggest 4. c) are eating

3 Read and complete the text.....:

1. galaxy 2. solar system
3. star 4. moon

4 Read the text and answer.....:

A Choose the correct answer:

1. a) animals that help people
2. b) eat harmful insects

B Answer the following questions:

3. They help them **walk safely** in the streets.
4. They save people at **sea** or in the **mountains**.
5. It shows that teamwork makes our lives **easier and safer**.

5 Read and write the correct form.....:

1. largest 2. doesn't like

6 Put the words....:

1. Our galaxy is the Milky Way.
2. He feeds sheep and cows daily. (**He feeds cows and sheep daily**).

4 Punctuate the following:

1. Is **M**ars called the red planet?
2. **M**any animals work hard to help people.

5 Write a paragraph.....:

1 Your Future Job

“In the future, I want to be an astronaut. I want to travel into space and discover new planets. I think it is an exciting job. I want to see the Milky Way and study the stars.”

2 Choose the correct answer from a, b, c, or d: (Grammar)

1. Tom is tall, but Jack is
 a) taller b) tallest c) tall d) more tall
2. Charlie is the boy in the class.
 a) good b) better c) more good d) best
3. The motorbike is than the bicycle.
 a) expensive b) expensiver
 c) more expensive d) most expensive
4. The blue whale is the animal in the ocean.
 a) big b) biggest c) bigger d) more big
5. This book is interesting, but that documentary is
 a) more interesting b) interesting
 c) than interesting d) the most interesting
6. Your drawing is in the whole class.
 a) beautiful b) more beautiful
 c) the most beautiful d) most beautiful
7. The astronaut felt in space than on Earth.
 a) happy b) more happy c) happiest d) happier
8. Saturn is than Earth.
 a) large b) larger c) largest d) more large
9. Mercury is the planet in our solar system.
 a) smallest b) smaller c) small d) more small
10. This story is than the one we read yesterday.
 a) exciting b) more exciting
 c) most exciting d) the most exciting
11. The elephant is than the horse.
 a) heavy b) more heavy c) heaviest d) heavier
12. The Sun is the star in our solar system.
 a) bright b) brighter c) brightest d) more bright

3 Read and complete the text with the words in the box:

Sun - moon - solar system - star - galaxy

Our universe is very big that it has a lot of stars and planets. We live in a ① called the Milky Way. Inside it is our ② It has eight planets that go around the ③ At night, we can see the ④ and many stars.

4 Read and complete the text with the words in the box:

red - iron - Earth - Mars - planet

There are many planets in our solar system. ① is known as the Red Planet. It is the fourth planet. Its soil is rich in ② which makes it looks ③ It is between Earth and Jupiter. It is smaller than ④ Scientists look for life on there.

5 Read and complete the text with the words in the box:

space - dreams - solar system - astronaut - engineer

Sara Sabry is a famous character in Egypt. She is the first Arab ① to travel into ② in 2022. Sara says "I want to inspire young people in Egypt to follow their ③ and believe that nothing is impossible." She studied the ④ and the planets. I think she became a role model for young people.

6 Read the text and answer the questions:

(7Ms)

Amina and Omar visited the planetarium. They saw the Sun, the Moon, and all the planets on a big screen. The guide told them that Mars is called the Red Planet because of its iron-rich soil. Jupiter

is the largest planet, and Saturn has shiny rings. The stars they saw are part of our galaxy, the Milky Way. The solar system is inside this galaxy. The children thought space was very exciting.

A Choose the correct answer:

1. The main idea of the text is about a visit to the
 a) park b) planetarium c) zoo d) movies
2. Mars is called the Red Planet because it
 a) has iron-rich soil b) is very hot
 c) is far from the Sun d) has water

B Answer the following questions:

3. What did the guide say about Jupiter?

4. What is the name of our galaxy?

5. How did the children feel about space?

7 Read and write the correct form of the word(s) between brackets:

1. Jupiter is (large) than Earth.
2. Mercury is the (small) planet in the solar system.
3. This book is (interesting) than that one.
4. Sara is the (tall) girl in our class.
5. This puzzle is the (difficult) one I have ever seen.
6. My cat is (fat) than your cat.
7. The Nile is the (long) river in the world.
8. Winter is (cold) than autumn.
9. My brother is (old) than me.
10. That was the (funny) day of my life.

Revision

8 Put the words in the correct order to form sentences:

1. Sun - The - is - star - our - brightest.

2. is - the - Mars - planet - red - called.

3. beautiful - Saturn - rings - has - shiny.

4. Way - Our - is - galaxy - Milky- the.

5. is - Egyptian - Sara Sabry - astronaut - an.

6. is - very - schools - Teamwork - important - in.

7. Nada - Adam - with - worked - the - on - poster.

8. planets - How many - are there - in - solar system - our?

9. Jupiter - the largest - planet - is - solar system - in the.

10. They - a poster - class - for - made - science.

9 Punctuate the following:

1. the sun is a bright star.

2. Is mars called the red planet

3. saturn has beautiful rings

4. sara sabry is an astronaut.

5. nada and adam are classmates.

6. did you visit the planetarium yesterday

10 Write a paragraph of Forty (40) words using the words below:

"The solar system "

► **Sun - planets - Milky Way**

.....

.....

.....

.....

.....

.....

نص الاستماع موجود آخر الملحق.

1 Listen and write (T) True or (F) False:

(2Ms)

1. Sara Sabry is the first Arab female pilot. (.....)
2. Uranus is closer to the Sun than Neptune. (.....)
3. The Milky Way is a galaxy. (.....)
4. Teamwork means working alone. (.....)

2 Choose the correct answer from a, b, c or d:

(2Ms)

1. is called the Red Planet.
 - a) Mars
 - b) Jupiter
 - c) Venus
 - d) Earth
2. Adam wanted to work at first.
 - a) together
 - b) alone
 - c) slowly
 - d) quickly
3. Venus is hotter Earth.
 - a) then
 - b) that
 - c) thin
 - d) than
4. Jupiter is the planet in the solar system.
 - a) larger
 - b) large
 - c) largest
 - d) most large

3 Read and complete the text with the words in the box: (2Ms)

spins - Milky - stars - sky - engineer

The Milky Way is the galaxy where Earth and the Sun are. It looks like a bright band of ① across the night ② It is shaped like a big circle that ③, full of stars, gas, and dust. The ④ Way has over 200 billion stars!

4 Read the text and answer the questions:

(7Ms)

Nada and Adam were making a poster about the planets for their science class. At first, Adam did not want help. He drew Mercury, Venus, and Earth alone. The next day, the poster was not finished. The teacher looked worried. Adam then agreed to let Nada help. Together, they colored Mars red and added rings to Saturn. Adam wrote facts about Jupiter and Neptune. When they finished, the poster was bright and clear. The teacher praised their teamwork.

A Choose the correct answer from a, b, c, or d:

- The main idea of the text is that Adam and Nada
 a) played football. b) learned to work together.
 c) visited a museum. d) watched a documentary.
- What did Nada add to Saturn on the poster?
 a) color b) facts c) rings d) stars

B Answer the following questions:

3. Why did the teacher look worried?

▶

4. What did Adam write on the poster?

▶

5. What did they learn from this project?

▶

5 Read and write the correct form of the word(s) between brackets: (4Ms)

- Mercury is (small) than Earth.
- Jupiter is the (large) planet in the solar system.

Test on Unit 5

6 Put the words in the correct order to form sentences: (2Ms)

1. to be - want - you - Do - astronaut - an?

► ?

2. galaxy - Our - Milky Way - is - the - called.

►

7 Punctuate the following: (4Ms)

1. Sara sabry is an egyptian astronaut.

►

2. Is saturn your favorite planet

►

8 Write a paragraph of Forty (40) words using the words below: (7Ms)

"My Favorite Planet"

► Saturn – solar system – shiny rings

Unit 4: Jobs in the Animal Kingdom

Lesson 1

How Animals Help Us

Date: / /

Warm-up Activity

How do dogs and other animals help people?

Classroom performance:

Activity

1

Choose the correct answer from a, b, c, or d:

Police dogs
dolphins
horses
Guide dogs
Horses

-are trained to help officers find lost people and catch criminals.
a) Police dogs b) Horses c) Guide dogs d) Dolphins
- The intelligence can assist humans in search and rescue sailors who fall into the sea.
a) horses b) police dogs c) dolphins d) guide dogs
- Riding can help people feel happy and relaxed .
a) horses b) police dogs c) dolphins d) guide dogs
- Many blind people trust..... to lead them safely through busy streets.
a) horses b) police dogs c) dolphins d) guide dogs
- help people feel calm and happy, especially when they are sad and scared
a) Police dogs b) Horses c) Guide dogs d) Dolphins

Activity

2

Read and complete the text with the words in the box:

police dog - Horses – guide dogs - brave - Dolphins

Some animals are very and help humans in many ways. can rescue swimmers in the sea, while a helps police catch criminals. carry people or goods and assist on farms. Meanwhile,guide blind people safely through busy streets every day.

brave
Dolphins
police dog
Horses
guide dogs

Home performance:

Put the words in the correct order to make sentences:

1. in water / often / people / Dolphins / help
Dolphins often help people in water.
2. lead / people / safely / Guide dogs / blind
Guide dogs lead blind people safely.
3. humans / feel happy / daily / make / Animals
Animals make humans feel happy daily.
4. during / people / Horses / carry / farm work
Horses carry people during farm work.

Lesson 2

Amazing Helpers

Date: / /

Warm-up Activity

How do these animals and birds help people in their daily lives?

take
are drawing
go
isn't studying
wake up

Classroom performance:

Activity

1

Choose the correct answer from a, b, c, or d:

1. He doesn't usually a bus on Mondays.
a) takes b) take c) took d) taking
2. Look! The children in the garden.
a) is drawing b) draw c) are drawing d) draws
3. Do you to school by bus?
a) goes b) going c) went d) go
4. She for her test today.
a) doesn't study b) isn't studying c) studied d) study
5. I at 6 a.m. every day.
a) waking up b) wakes up c) woke up d) wake up

Activity

2

Read and write the correct form of the word(s) between brackets:

1. Are you(read)a book at the moment?
2. We (not always /finish).....our homework on time.
3. They (visited)their grandparents every week.
4. I usually(eating) breakfast at 7 a.m.
5. I(watch)TV right now.

reading
don't always finish
visit
eat
am watching

Home performance:

Put the words in the correct order:

1. bread / pieces / from / people / eat / Pigeons
.....
Pigeons eat bread pieces from people.
2. loads / Donkeys / heavy / the / across / carry / fields
.....
Donkeys carry heavy loads across the fields.
3. people / Guide dogs / help / blind / cross / safely
.....
Guide dogs help blind people cross safely.

Lesson 3

Farm Friends

Date: / /

Warm-up Activity

What animals can you see on the farm?

Classroom performance:

Activity

1

Fill in the blanks with the correct suffixes (-er / -or / -ist):

1. A farm.....grows fruits and vegetables
2. A help.....gives support to others..
3. The visit.....takes photos of the garden.
4. Our teach..... helps us to learn English..
5. The special..... checks the computer problems.

Farmer
Helper
Visitor
Teacher
Specialist

Activity

2

Look and fill in the suffixes :

			
Doct.....	Teach.....	Scient.....	Farm....

Doctor
Teacher
Scientist
Farmer

Home performance:

Write a paragraph about (40-50) words using the following guiding elements.

“Amazing animal farms”

Guiding elements: farmer- sheep - cows

Farms are very important places. The farmer works hard every day to take care of the animals. On the farm, you can see many animals like cows and sheep. Cows give us milk and meat, while sheep give us wool. The farmer feeds them and keeps them safe.

Weekly Quiz

Weekly Assessment A

Pigeons
Scarab beetles
water buffaloes

Choose the correct answer from a, b, c, or d:

-carry notes and letters between different places.
a) Falcons b) Water buffaloes c) Pigeons d) Scarab beetles
- break down waste and help make the earth better for growing plants.
a) Falcons b) Water buffaloes c) Pigeons d) Scarab beetles
- On farms,..... pull ploughs through the fields.
a) donkeys b) water buffaloes c) scarab beetles d) pigeons

Punctuate the following:

- farmers grow food and raise animals **F.**
- sheep give us wool to make clothes **S.**

Weekly Assessment B

Choose the correct answer from a, b, c, or d:

Donkeys
geckos
Donkey

-carry heavy loads through villages and to markets.
a) Pigeons b) Police dogs c) Geckos d) Donkeys
- In homes climb on walls and eat insects.
a) donkeys b) geckos c) cows d) sheep
-is a hardworking animal that carries heavy loads.
a) Pigeon b) Donkey c) Falcon d) Gecko.

Punctuate the following:

- the cow gives us fresh milk daily **T.**
- ducks swim happily in the small pond **D.**

Weekly Assessment C

Choose the correct answer from a, b, c or d:

- is a fast bird that hunts animals in fields.
a) Pigeon b) Gecko c) Falcon d) Scarab beetle
-are calm, careful animals that help blind people walk safely.
a) Guide dogs b) Sheep c) Horses d) Dolphins
- give us milk every day for drinking and making cheese.
a) Horses b) Cows c) Donkeys d) Sheep

Falcon
Guide dogs
Cows

Punctuate the following:

- horses run fast across the green fields **H.**
- sheep eat grass under the big tree **S.**

Lesson 4

Writing about Animal Helpers

Date: / /

Warm-up Activity

Think and give your opinion: Which animals help, and what do they do?

Classroom performance:

Activity

1

Choose the correct answer from a, b, c, or d:

- The..... help farmers by eating insects that harm crops.
a) egrets b) pigeons c) geckos d) falcons
- The egret raids quickly with its sharp
a) legs b) beak c) eyes d) wings
- Egrets can catchthat eat the rice plants.
a) hoppers b) geckos c) scarab beetle d) pigeon
- Near the, chickens lay eggs every morning for breakfast.
a) barn b) field c) garden d) sea
- The cat helps by catching mice that might eat the
a) meat b) grain c) chicken d) fish

Activity

2

Read and complete the text with the words in the box

watching over - crops - field - sweaters - guard dog

Farmers work hard in the gathering under the warm sun. They load the harvest onto a cart pulled by strong animals. Children wear cozy..... as they help their parents. Everyone feels proud, the golden crops that will feed many families during the cold winter days.

Home performance:

Write a paragraph of about (40-50) words using the following guiding elements.

“ A Day on the Farm”

Guiding elements: farmer-helpful animals- crops

The farmer works very hard in the field. He grows many crops to feed people. There are helpful animals on the farm, too. The cattle egret helps the farmer by eating insects. The donkey carries heavy loads. Everyone is busy on the farm.

egrets
beak
hoppers
barn
grain

field
crops
sweaters
watching over

Lesson 5

Think and Create a Poster

Date: / /

Warm- up Activity

What is your favorite animal? Why?

Classroom performance:

Activity

1

Put the words in the correct order to make sentences:

1. pull / Water buffaloes /ploughs/ usually/on farms

.....**Water buffaloes usually pull ploughs on farms.**

2. knitted/ a warm/ My grandmother/me/ sweater.

.....**My grandmother knitted me a warm sweater.**

3. lay/every morning /eggs /Chickens / for breakfast

.....**Chickens lay eggs every morning for breakfast.**

4. performed/ perfectly/ his role/ The actor/ in the play.

.....**The actor performed his role perfectly in the play.**

5. flies/eats /The egret/the buffalo/bothers/that

.....**The egret eats the flies that bothers the buffalo.**

Activity

2

Read and complete the text with the words in the box:

donkey – sheep – farmer- water buffalo-bees

farmer
sheep
donkey
water buffalo
bees

The loved caring for every part of his land. His gentle wandered across the green hills, while the loyal carried small baskets of vegetables. In the muddy field, the powerful helped plough the soil. Near the bright flowers, the busy collected nectar, keeping the farm healthy and full of life each day.

Home performance:

Write 4-5 sentences about your favorite animal:

Include: Where it is live? Why do you like? How the animal helps people?

My favorite animal is the camel. It lives in the desert. I

like it because it is very strong and patient. The camel

helps people by carrying heavy things across the hot

sand. It is also called the ship of the desert.

Weekly Quiz

Weekly Assessment A

Read the text and answer the questions:

Animals help people in many ways. Guide dogs lead the blind, police dogs protect communities, and horses help farmers work in the fields. We must learn to appreciate these animal helpers by treating them with love and respect. Giving them food, water, and care shows kindness. Teaching others to be gentle and thankful helps create a world where humans and animals live in harmony. When people understand how much animals do for them, they become more responsible and compassionate. Always remember, kindness to animals is kindness to life itself.

A. Choose the correct answer from a, b, c, or d.

1. What do guide dogs help people with?

a) Running fast

b) Leading the blind

c) Carrying heavy loads

d) Finding food

2. How can we show kindness to animals?

a) Ignore them

b) Shout at them

c) Give them care and food

d) Keep them in cages

B. Answer the following questions:

1. Why should people appreciate animal helpers?

Because they help us in many ways, such as leading the blind, protecting communities, and helping farmers.

2. What can you do to be kind to animals?

We can give them food, water, care, and treat them with love and respect.

3. How do animals make people's lives better?

They help by doing important work and teaching us to be responsible and compassionate.

Weekly Assessment B

Read the text and answer the questions

Animals are loyal helpers who make people's lives easier and happier. Guide dogs assist blind people to walk safely, horses help farmers on the land, and dolphins rescue swimmers in danger. We should appreciate these animals by caring for them, giving them rest, and treating them with kindness. Teaching children to respect animals builds love and responsibility. When people show gratitude and protect their animal friends, they make the world a better place for everyone. Remember, animals have feelings too, and a small act of kindness can mean a lot to these wonderful helpers.

A. Choose the correct answer from a, b ,c, or d.

1. What do dolphins help people with?

- a) Cooking
- c) Rescuing swimmers

- b) Studying
- d) Finding food

Rescuing swimmers
By caring and respecting them

2. How can we appreciate animal helpers?

- a) By ignoring them
- c) By caring and respecting them

- b) By hurting them
- d) By keeping them working always

B. Answer the following questions:

1. How do animals help people in daily life?

They assist blind people, help farmers work the land, and rescue swimmers.

2. Why is it important to teach children kindness to animals?

Teaching children kindness builds love and responsibility and makes the world a better place.

3. What are some ways to show love to animal helpers?

We can care for them, give them rest, and treat them with kindness.

Weekly Assessment C

Read the text and answer the questions:

Animals do amazing jobs that help people every day. Police dogs keep us safe, horses carry heavy loads, and water buffaloes help farmers in the fields. These animal helpers deserve our love and care. We should feed them properly, give them rest, and never hurt them. Teaching others to be kind to animals shows respect for life. When people are gentle and thankful, animals feel happy and work better. Kindness to animals makes the world peaceful and full of trust between humans and their loyal helpers.

A. Choose the correct answer from a, b, c , or d:

1. What do police dogs do?

- a) Play in the park
- c) Pull carts

- b) Keep people safe
- d) Plow fields

Keep people safe
Feed and care for them

2. How can we show kindness to animal helpers?

- a) Ignore them
- c) Feed and care for them

- b) Shout at them
- d) Make them work all day

Answer the following questions:

1. Why should we be thankful to animal helpers?

Because they do amazing jobs like keeping us safe and carrying heavy loads.

2. What can you do to care for animals?

We can feed them properly, give them rest, and never hurt them.

3. How does kindness make animals feel?

Kindness makes animals feel happy and helps them work better.

Review on unit 4

1. Choose the correct answer from a, b, c, or d:

- Thehelps farmers plow the fields.
a) donkey b) water buffalo c) sheep d) guide dog
-climb walls easily and eat insects.
a) Falcons b) scarab beetles c) Geckos d) frogs
-work in the soil and break down waste.
a) Falcons b) Scarab beetles c) Bees d) Egrets
-run fast and carry people on their backs.
a) Cows b) Horses c) Guard dogs d) Geckos
- Farmers wear thickwhile working early in the morning.
a) glasses b) scarves c) hats d) sweaters

water buffalo
Geckos
Scarab beetles
Horses
sweaters

2. Read and write the correct form of word(s) between brackets:

- The gecko (climb)the wall at the moment.
- The farmer(feeding) the animals every morning.
- They (watch)the water buffalo right now.
- My mother (cook).....delicious meals for us.
- Look! The bees (fly) around the flowers.

is climbing
feeds
are watching
cooks
are flying

3. Read and complete the text with words in the box:

loads -donkey- crops-farmer-sheep

The works hard every day on his land. He grows different like wheat and corn. The.....eat grass nearby. His carries heavy of vegetables to the market. Together they travel long routes through the village to sell fresh food and help the community.

farmer
crops
sheep
donkey
loads

Put the words in the correct order to make sentences:

- plants / crops / farmer / the / every / day

.....The farmer plants crops every day.

- carry / donkeys/loads / carefully / heavy

.....Donkeys carry heavy loads carefully.

Unit 5: Our Solar System

Lesson 1

From Mercury to Neptune

Date: / /

Warm-up Activity

What do you know about the solar system?.....

Classroom performance:

Activity

1

Match the words in the box with the pictures:

4 Moon – Mars- The sun- Galaxy- Solar system- Saturn

Activity

2

Read and write the correct form of the word(s) between brackets:

1. Jupiter is the(smallest)planet in the solar system.
2. (Mars)..... is famous for its rings.
3. (Mercury)..... is called the Red Planet.
4. There are (five)small planets.
5. Galaxy is a group of (planets).....

largest
Saturn
Mars
four
stars

Home performance:

Put the words in the correct order:

1. the / center / the / at / Sun / Solar System / is / of

The Sun is at the center of the Solar System.

2. red / planet / called / Mars / is / the

Mars is called the red planet.

3. light / heat / gives / the / Sun / and

The Sun gives heat and light.

Primary Stage: Year five

From Egypt to Galaxy

Date: / /

(Sara Sabry: Reaching for the Stars)

Warm-up Activity

Do you know who is the first Egyptian female astronaut?

Classroom performance:

Activity

1

Choose the correct answer from a, b, c, or d:

engineer
inspire
farther
colder
Jupiter

- Sara Sabry became the first Arab to travel into space.
a) inventor b) scientist c) doctor d) engineer
- Sara Sabry wanted to young people in Egypt to follow their dreams.
a) send b) take c) inspire d) listen
- Uranus and Neptune are colder andaway.
a) farther b) nearer c) smaller d) bigger
- Mars isthan Earth.
a) hotter b) colder c) drier d) bigger
- planet is described as the largest planet.
a) Saturn b) Jupiter c) Mars d) Earth

Activity

2

Read and write the correct form of the word(s) between brackets:

- The new teacher explains(good) than the video.
- Jupiter is the (big).....planet in the Solar System.
- The mountain view is (beautiful).....than the city view.
- That fish is (colorful)animal in the pond.
- The moon is (small) than the Sun.

better

biggest

more beautiful

the most colorful

smaller

Home performance:

Read the text and answer the questions :(Visiting the Planetarium)

Yesterday, our school organized a visit to the planetarium. We sat under the large dome and watched the stars, planets, and the Moon appear as if in real space. The guide explained interesting facts about the Solar System and how the planets orbit the Sun. I liked learning about Saturn because of its beautiful rings. We also saw a simulation of astronauts walking on the Moon. Everyone asked many questions, and the guide patiently answered them. The trip was both fun and educational, and it made me want to learn more about space.

1. What did the students see in the planetarium?

- a) Stars and planets
- b) Dinosaurs
- c) Animals
- d) Forests

2. Which planet did the writer like most?

- a) Mars
- b) Satu
- c) Jupiter
- d) Venus

Stars and planets
Saturn

3. What did the guide explain about the Solar System?

The guide explained interesting facts about the Solar System and how the planets orbit the Sun.

4. How did the planetarium make learning fun?.....

By showing the stars and planets as if they were in real space and showing a simulation of astronauts.

5. Which planet would you like to visit, and why?.....

I would like to visit Mars to see the red rocks.

Lesson 3

The Planet Project

Date: / /

Warm- up Activity

Do you think working in a team is always better than working alone? Why/ Why not?

Classroom performance:

Activity

1

Fill in the blanks using words from the box:

colorful pencil -rings- Teamwork- messy- poster

1. My desk is very after drawing.
2. helps us finish the project faster.
3. We made a big about the Solar System.
4. Saturn has many beautiful
5. I used to draw a rainbow.

messy
Teamwork
poster
rings
colorful pencil

Activity

2

Put the words in the correct order to make sentences:

1. Mars / has / the / tallest / volcano / in / Solar System
.....
Mars has the tallest volcano in the Solar System.
2. Saturn / rings / are / made / of / ice / and / rock
.....
Saturn rings are made of ice and rock.
3. Earth / is / the / only / planet / with / life
.....
Earth is the only planet with life.
4. The / Sun / is / a / star / very / hot
.....
The Sun is a very hot star.
5. Mars / is / called / the / red / planet / because of / iron
.....
Mars is called the red planet because of iron.

Home performance:

Write briefly about: "A Trip to the Planetarium"

Last week, our class went to the planetarium. It was an exciting trip. We sat under a big dome and saw the stars and planets. The guide told us interesting facts about space. We learned that the sun is a big star. I want to go there again.

Weekly Quiz

Weekly Assessment A

Choose the correct answer from a, b, c, or d:

-is the biggest planet in the Solar System.
a) Jupiter b) Mars c) Moon d) Earth
- is called the Red Planet because of its color.
a) Moon b) Mars c) Jupiter d) Saturn
- revolves around the Earth and shines at night.
a) Mars b) Jupiter c) Moon d) Venus

4. Punctuate the following:

- the children played happily at schoolT.....
- saturn has shiny rings around itS.....

Jupiter
Mars
Moon

Weekly Assessment B

Choose the correct answer from a, b, c, or d:

- is the galaxy that contains our Solar System.
a) Milky Way b) Earth c) Moon d) Jupiter
-is our home planet.
a) Moon b) Earth c) Milky Way d) Saturn
- is known as the Red Planet.
a) Mars b) Moon c) Jupiter d) Sun

4. Punctuate the following:

- my mother cooked dinner last nightM.....
- the teacher explained the lesson clearlyT.....

Milky Way
Earth
Mars

Weekly Assessment C

Choose the correct answer from a, b, c, or d:

- 1..... includes the Sun and all planets.
a) The Solar System b) Earth c) Moon d) Jupiter
-are calm, careful animals that help blind people walk safely.
a) Guide dogs b) Sheep c) Horses d) Dolphins
-give us milk every day for drinking and making cheese.
a) Horses b) Cows c) Donkeys d) Sheep

4. Punctuate the following:

- we enjoyed the trip last weekendW.....
- the birds sang early in the morningT.....

The Solar System
Guide dogs
Cows

Lesson 4

Writing A Dream in a Space

Date: / /

Warm- up Activity

Do you think there are many creatures living in space?

Classroom performance:

Activity

1

Put the words in the correct order to make sentences:

1-Astronauts / space / in / work / live / and

Astronauts live and work in space.

2-Earth / blue / looks / from / space / the

The Earth looks blue from space.

3-the / Sun / a / very / hot / star / is

The Sun is a very hot star.

4-Saturn / rings / beautiful / has / many / and

Saturn has many beautiful rings.

5-the / Moon / surface / rocky / a / has

The Moon has a rocky surface.

Activity

2

Fill in the blanks using words from the box:

swings-rocket- football- spaceship- alien

rocket
spaceship
swings
alien
football

1. Theflew high into the sky.

2. A shiny landed quietly on the ground.

3. The children played on theat the park.

4. An waved happily from behind a big rock.

5- My brother kicked the across the field.

Home performance:

Write a paragraph of about (30-40)words using the following guiding elements:"your own trip in space"

Guiding elements: spaceship aliens rockets

**I had a wonderful dream last night. I traveled to space
in a big spaceship. I saw many rockets flying around.
Then, I met friendly aliens on a new planet. It was an
amazing adventure.**

Lesson 5

**Think and Create Space
Travel Fact File**

Date: / /

Warm-up Activity

Which planet do you like? And Why?

Classroom performance:

Activity

1

Read and complete the text with words in the box:

Milky Way - stars- earth - galaxy - Solar system

Solar system
galaxy
Milky Way
earth
stars

Our is part of a vast filled with millions of shining stars. The stretches across the night sky and helps scientists learn more about space. On, people observe the sky to understand how planets and move and influence life.

Activity

2

Put the words in the correct order to make sentences:

1. planet / beautiful / Earth / our / is

Earth is our beautiful planet.

2. system / solar / The / planets / eight / has

The Solar system has eight planets.

3. orbits / sun / the / around / Earth

Earth orbits around the sun.

4. Neptune / blue / a / cold / planet / is

Neptune is a cold blue planet.

5. shine / at night / stars / The / brightly

The stars shine brightly at night.

Home performance:

Punctuate the Following:

1. earth moves around the sun every year

2. the moon shines brightly at night

3.the milky way is our home galaxy

E S .
T .
T M W .

Weekly Quiz

Weekly Assessment A

Read and complete the text with words in the box:

sun – galaxy – Earth – solar system – stars

Our is part of a large that contains millions of shining..... Theprovides heat and light that allow life to grow. On, people study space to understand how planets move and how the sun affects the weather and seasons throughout the year.

solar system
galaxy
stars
sun
Earth

Weekly Assessment B

Read and complete the text with words in the box:

sun – galaxy – Earth – solar system – planets

The sits at the center of our and controls how planets travel in their orbits. Our planet,, is the only known place with life. Scientists explore our to learn more about the other and the countless stars spread across the sky.

Sun
solar system
Earth
galaxy
planets

Weekly Assessment C

Read and complete the text with words in the box:

moon – sun – Earth – solar system – stars

People all overlook at the night sky and wonder about the manythey can see. Our belongs to a much bigger filled with light and energy. The is the brightest object we observe every day and helps us understand more about space.

Earth
stars
solar system
Sun
moon

Review on unit (5)

1. Choose the correct answer from a, b, c, or d:

- is the largest planet in our solar system.
a) Mars ~~b) Jupiter~~ c) Galaxy d) Mercury
- has beautiful rings made of ice and rock.
~~a) Saturn~~ b) Mercury c) Mars d) Jupiter
- is a huge collection of stars and planets.
a) Jupiter ~~b) Galaxy~~ c) Mars d) Saturn
- is called the Red Planet because of its color.
a) Saturn b) Mercury ~~c) Mars~~ d) Galaxy
- is small and has very high temperatures.
~~a) Mercury~~ b) Jupiter c) Saturn d) Galaxy

2. Read and write the correct form of word(s) between brackets:

- My father is (tall) **taller** than me.
- The cheetah is (fast) **faster** than dog.
- The blue whale is the (large) .. **largest** animal in the world.
- She is the (helpful) **most helpful** student in the class.
- Math is (difficult) **more difficult** than English.

3. Fill in the blanks using words from the box:

sunflower – sandcastle -pancake -snowman- -spaceship

- I ate a delicious for breakfast.
- The bright yellow grew tall in the field.
- The astronaut flew a powerful into space.
- The children built a cute in the snow.
- We made a big _____ on the beach.

pancake
sunflower
spaceship
snowman
sandcastle

4. Punctuate the following:

we built a big sandcastle on the beach

W.

the spaceship landed safely on the ground

T.

Monthly Review

Choose the correct answer from a,b, c, or d:

- Theis the center of our solar system.
a) Saturn b) galaxy ~~c) sun~~ d) Jupiter
- Ais a strong bird that hunts from the sky.
a) donkey ~~b) falcon~~ c) sun d) Saturn
- Ais a group of billions of stars.
~~a) galaxy~~ b) donkey c) Sun d) Saturn
- The is known for its beautiful rings.
a) sun b) falcon ~~c) Saturn~~ d) donkey
- Farmer uses a to carry loads.
a)galaxy ~~b) donkey~~ c) Sun d) falcon

Read and complete the text with the words in the box:

Saturn – Earth – Saturn – sun – galaxy

Our solar system lies inside a vast filled with countless stars. The
galaxy is the center of our system and provides us with light. is
sun is our home planet, while is famous for its red color. At night, the
Earth moon shines brightly in the sky and.....is famous for its rings.
Mars
Saturn

Put the words in the correct order to make sentences:

1. system / solar / The / huge / a / is

.....
The solar system is huge.

2. brightly / The / Sun / shines / always / very

.....
The Sun always shines very brightly.

- 3.likes / draw/My/pictures/sister /to/little

.....
My little sister likes to draw pictures.

4. book /the /Reading /is /fun /very

.....
Reading the book is very fun.

Punctuate the following:

1. the sun sets behind the mountains T S.
2. she quickly finished her homework today S.
3. where is the nearest coffee shop W ?
4. I cant believe its already Monday n't it's.

المراجعة رقم (8)

اختبار شهر ابريل

مراجعة شهر إبريل
للفصل الخامس الابتدائي

1. Choose the correct answer from a, b, c or d:

1. The Victoria Falls creates a thick that looks exactly like smoke.

a) dust | b) mist | c) snow | d) sand

2. The mountain in South Africa is extremely tall; it is absolutely

a) short | b) towering | c) tiny | d) flat

3. The surface of the table mountain is not bumpy, it is completely

a) high | b) rough | c) flat | d) steep

4. The Amazon rainforest is losing trees rapidly and starting to

a) shrink | b) adapt | c) rise | d) grow

5. Heavy rain can cause a river to flood the village quickly.

a) slow | b) weak | c) dry | d) powerful

6. A group of plants or animals of the exact same kind is called a

a) species | b) space | c) slice | d) piece

7. To change your behavior in order to survive in a new place means to

a) adapt | b) stay | c) die | d) leave

8. The Venus flytrap is a fascinating plant that gets its from insects.

a) roots | b) light | c) water | d) nutrients

9. A camel can easily in the desert without drinking water for days.

a) fall | b) survive | c) sleep | d) die

10. Leaves of the flytrap snap shut quickly because they are very

a) hard | b) slow | c) sensitive | d) weak

11. Our planet has amazing natural like enormous waterfalls and mountains.

a) streets | b) cars | c) buildings | d) wonders

12. A famous and easily seen place or historic building is called a

a) room | b) landmark | c) house | d) tent

13. The ocean is so large that it looks like a blue blanket stretching forever.

a) narrow | b) short | c) vast | d) tiny

14. It is very important to drink plenty of water in summer to stay

a) thirsty | b) hungry | c) dry | d) hydrated

15. The strong wind in the desert moves the yellow sand to form huge

a) rivers | b) dunes | c) lakes | d) clouds

16. The beautiful white beaches for many kilometers along the northern coast.

a) end | b) shrink | c) stop | d) stretch

17. The hungry crocodile easily caught the fast fish by its huge jaws shut.

a) sleeping | b) opening | c) snapping | d) smiling

18. Before we go sailing in the sea, we should listen to the weather to check for storms.

a) forecast | b) match | c) story | d) music

19. Many unique animals and brightly colored birds live safely in the thick green of Brazil.

a) deserts | b) streets | c) rainforests | d) oceans

20. The student studied very hard with great because she wanted to be a famous doctor.

a) doubt | b) laziness | c) fear | d) determination

21. We must work together to our beautiful environment from harmful pollution.

a) pollute | b) protect | c) damage | d) destroy

22. Polar bears have thick fur to easily survive the cold weather.

a) warm | b) freezing | c) boiling | d) sunny

23. The natural home or normal environment of a wild animal is its

a) street | b) house | c) habitat | d) habit

24. The tall palm trees give us nice cool during sunny summer days.

a) sun | b) light | c) shade | d) heat

25. A massive piece of ice floating in the cold sea is an

a) iceberg | b) oasis | c) island | d) ocean

26. The general weather conditions in a place over a long period is the

a) storm | b) climate | c) wind | d) rain

27. Travelers in the Sahara can sometimes find water and green palm trees in an

a) island | b) ocean | c) oasis | d) iceberg

28. We went on a safari trip and took amazing photos of the local in their natural habitat.

a) wildlife | b) cars | c) buildings | d) streets

29. A healthy human body needs many different from food to stay strong and energetic.

a) illnesses | b) pains | c) nutrients | d) diseases

30. The frightened turtle quickly hid its head inside its hard to stay safe from the eagle.

a) shell | b) eye | c) leg | d) tail

31. During summer in Egypt, the temperature can become dangerously high causing severe

a) snow | b) rain | c) heatwaves | d) ice

32. The Grand Egyptian Museum displays thousands of valuable ancient belonging to old kings.

a) trees | b) insects | c) artifacts | d) animals

33. Building the amazing temples in Luxor was a massive ancient for the Egyptians.

a) animal | b) plant | c) achievement | d) mistake

34. The large empty box was surprisingly and very easy for the boy to lift.

a) hard | b) dark | c) heavy | d) light

35. The brave farmer showed great physical when he lifted the heavy rocks.

a) strong | b) strength | c) stronger | d) strongly

36. The camel is a very animal because it has special ways to survive the heat.

a) common | b) unique | c) ordinary | d) normal

37. The water near the edge of the beach is very , making it safe for children.

a) high | b) deep | c) fast | d) shallow

38. Bamboo is famous globally because it can extremely fast in just one single day.

a) shrink | b) grow | c) fly | d) fall

39. Trees use their incredibly long deep to easily find hidden water under the dry ground.

a) flowers | b) leaves | c) roots | d) branches

40. The severe storm caused massive damage everywhere; the weather was truly

a) calm | b) gentle | c) extreme | d) mild

41. The violently strong storm broke the long wooden of the tall garden trees.

a) branches | b) rocks | c) sand | d) roots

42. The clever camel stores useful energy inside its large round on its back.

a) tail | b) neck | c) nose | d) hump

43. The boiling temperature of clean water is exactly one hundred Celsius.

a) degrees | b) miles | c) kilos | d) meters

44. A beautifully amazing natural thing or place that causes great surprise is a

a) mistake | b) building | c) wonder | d) street

45. A light fog filled with tiny drops of water flying in the air is called

a) earth | b) mist | c) dust | d) sand

46. We must build strong fences to the rare animals from dangerous wild hunters.

a) hurt | b) attack | c) protect | d) damage

47. The tall glass building in the modern city center is absolutely , reaching the high clouds.

a) tiny | b) flat | c) towering | d) short

48. The exact opposite of the adjective ancient is the word

a) modern | b) ugly | c) old | d) bad

49. Adding the correct suffix to the noun power makes the strong positive adjective

a) powering | b) powerful | c) powers | d) powerfully

50. The exact antonym of the action verb rise is the word

- a) jump | b) fall | c) fly | d) stand

=====

2. Read and complete the text with the words in the box.

Passage 1

[smell | lazy | brave | catch | criminals]

Police dogs are very helpful animals in our community today. They are very (1)..... and smart when they work with officers. They help the police find lost people and (2)..... bad people. These amazing dogs use their strong sense of (3)..... to do their difficult jobs. They can easily find hidden (4)..... from far away.

Passage 2

[angry | streets | blind | safe | walk]

Guide dogs do a very special and important job for people in our community. They help (1)..... people move around the busy city without getting hurt. These careful dogs help them to (2)..... safely on the pavements and avoid danger. They also help them cross busy (3)..... full of fast cars. Having a guide dog makes people feel calm and (4)..... every day.

Passage 3

[clouds | soil | strong | crops | ploughs]

In Egypt, many amazing animals work hard to help farmers every day. Water buffaloes are very (1)..... animals that work in the large fields. They usually pull heavy (2)..... to help prepare the earth for seeds. Right now, a busy farmer is working with his buffalo to prepare the (3)..... for planting. This helps the farmer grow healthy (4)..... for us to eat.

Passage 4

[narrow | routes | loads | markets | flying]

Donkeys are very important for carrying heavy things in local villages. They carry heavy (1)..... of crops and fresh water for the busy farmers. They transport these heavy baskets to the local (2)..... every morning. The clever donkeys know their daily (3)..... very well. They can easily walk through (4)..... streets that big cars cannot enter.

Passage 5

[places | cows | high | birds | messages]

People used intelligent animals to communicate in the past. Pigeons are fast (1)..... that can fly for a very long time without stopping. They have an important job carrying letters and (2)..... across the whole country. They can fly (3)..... in the clear sky to reach different villages. These amazing birds always find their way back to their home (4)..... safely.

Passage 6

[sky | catch | sea | animals | crops]

Farmers have many different animal helpers on their large traditional farms. Falcons help farmers by hunting small (1)..... that can damage the green plants. You might see a fast falcon flying high in the clear (2)..... over a field. They are always looking for rats and mice to (3)..... quickly. This natural help protects the farmer's (4)..... from being eaten.

Passage 7

[catch | walls | swim | insects | night]

Many tiny animals can be very helpful and useful inside our warm homes. Geckos are small lizards that climb quickly on the (1)..... of our quiet rooms. They like to come out during the dark (2)..... when it is completely silent. They use their long tongues to (3)..... annoying mosquitoes easily. They help us by eating harmful (4)..... while we sleep safely.

Passage 8

[earth | sky | down | plants | waste]

Tiny insects can often do very big and important jobs in our natural environment. The hardworking scarab beetle breaks

(1)..... animal waste in the farming fields. This removes bad (2)..... from the top surface of the ground. This amazing process makes the (3)..... much richer and better for farming. The farmer can then grow beautiful green (4)..... easily.

Passage 9

[smart | rescue | sea | fly | danger]

The ocean can be dangerous, but some marine animals are very helpful to us. Dolphins are famous around the world for being very (1)..... and friendly to humans. They sometimes work as (2)..... animals in the deep blue water. They help swimmers who are in terrible (3)..... They carefully push them safely through the rushing (4)..... to the sandy beach.

Passage 10

[wings | chemicals | healthy | back | insects]

The beautiful white egret has a very special friendship with the water buffalo. This helpful bird often stands right on the buffalo's big (1)..... It carefully eats the annoying flies and (2)..... from the buffalo's dark skin. This natural action means farmers use fewer (3)..... to kill pests. This amazing animal teamwork keeps the farm food completely safe and (4).....

Read the following text, then answer the questions:

Passage 1:

The solar system is a very exciting place to explore. It has the Sun, the Moon, and eight different planets. Mercury is the smallest planet and it is very close to the Sun. Jupiter is the **largest** planet in our solar system. We live on Earth, which is a very beautiful planet. All these planets and stars are part of a very big galaxy. Our galaxy is called the Milky Way. Learning about space helps us understand our place in the huge universe.

A. Choose the correct answer:

1. The main idea of this text is about ".....".
a. oceans | b. space | c. farms | d. cars
2. The underlined word "largest" means the ".....".
a. smallest | b. hottest | c. biggest | d. coldest

B. Answer the following questions:

3. What is the smallest planet in the solar system?
.....
4. What does the underlined pronoun "It" refer to?
.....
5. What is the name of our galaxy?
.....

Passage 2:

Sara Sabry is a very **famous** person in Egypt today. She is the first Egyptian female astronaut to travel into space. She went on an amazing journey to space in the year 2022. Sara wants to inspire young people to follow their big dreams. She believes that nothing is impossible if you

work hard. In her job, she studied the solar system and the different planets carefully. Seeing the Earth from space made her realize how beautiful our home planet really is.

A. Choose the correct answer:

1. The main idea of this text is about an ".....".
a. farmer | b. engineer | c. actor | d. astronaut
2. The underlined word "famous" means well ".....".
a. known | b. hidden | c. lost | d. bad

B. Answer the following questions:

3. When did Sara Sabry travel to space?
.....
4. What does the underlined pronoun "She" refer to?
.....
5. What does Sara want to inspire young people to do?
.....

Passage 3:

Mars is an interesting planet for scientists to study carefully. It is often called the Red Planet because its soil has a lot of iron. Mars is much colder and drier than our planet Earth. Venus is another interesting planet, but it is much hotter than Earth. Neptune is the most **distant** planet from the Sun, so it is extremely cold. Scientists study these planets to learn more about the universe. Every planet in the solar system is unique and completely different.

A. Choose the correct answer:

1. The main idea of this text is about ".....".
a. stars | b. moons | c. planets | d. suns
2. The underlined word "distant" means very ".....".
a. near | b. far | c. hot | d. close

B. Answer the following questions:

3. Why is Mars called the Red Planet?

.....

4. What does the underlined pronoun "it" refer to?

.....

5. Which planet is much hotter than Earth?

.....

Passage 4:

Adam and Nada were classmates in the school science class. The teacher asked them to make a colorful poster about the planets. At first, Adam wanted to do all the work alone. His drawing was messy and he felt very sad. Nada offered to help him with the bright colored pencils. Together, they colored Mars red and added beautiful rings to Saturn. Their final planet poster was very clear. They learned that teamwork always makes the difficult job much easier and better.

A. Choose the correct answer:

1. The main idea of this text is about ".....".

a. playing | b. sleeping | c. reading | d. teamwork

2. The underlined word "messy" means not ".....".

a. ugly | b. bad | c. neat | d. sad

B. Answer the following questions:

3. What did the teacher ask the students to make?

.....

4. What does the underlined pronoun "they" refer to?

.....

5. How did Nada help Adam with the poster?

.....

Passage 5:

Last night, Omar had an amazing dream about outer space. He traveled in a big silver spaceship with round windows. He landed safely on a fun playground on the Moon. He met a friendly alien with huge green eyes. They played space football with a glowing star-ball. The alien's houses looked like soft white clouds in the dark sky. Omar felt very happy and excited during this trip. When he woke up, he wanted to be a brave astronaut in the future.

A. Choose the correct answer:

1. The main idea of this text is about a ".....".

a. school | b. dream | c. nightmare | d. market

2. The underlined word "spaceship" is a space ".....".

a. train | b. car | c. bus | d. rocket

B. Answer the following questions:

3. Where did Omar land in his dream?

.....

4. What does the underlined pronoun "They" refer to?

.....

5. What did the alien's houses look like?

.....

Passage 6:

Our solar system is a small part of a very large galaxy. This big galaxy is called the amazing Milky Way. It looks like a bright band of shining stars across the dark night sky. The Milky Way has over two hundred billion stars inside it. It also has many planets, moons, and big rocks like comets. It is shaped like a giant circle that spins around very quickly. The universe has many other galaxies that are even bigger than ours!

A. Choose the correct answer:

1. The main idea of this text is about our ".....".
a. village | b. farm | c. galaxy | d. school
2. The underlined word "bright" means very ".....".
a. sad | b. slow | c. dark | d. shining

B. Answer the following questions:

3. What is the name of our galaxy?
.....
4. What does the underlined pronoun "It" refer to?
.....
5. What is the shape of the Milky Way?
.....

Passage 7:

Saturn is one of the most **famous** planets in our solar system. It is very special because **it** has beautiful shining rings around it. These large rings are made of ice, dust, and heavy rocks. Saturn is a very big planet, but Jupiter is the largest one. You cannot land a spaceship on Saturn because it is made of gas. Looking at Saturn through a strong telescope is a wonderful experience. It shows us how amazing our huge solar system really is.

A. Choose the correct answer:

1. The main idea of this text is about ".....".
a. Earth | b. Saturn | c. Venus | d. Mars
2. The underlined word "famous" means well ".....".
a. lost | b. known | c. bad | d. hidden

B. Answer the following questions:

3. What are the rings around Saturn made of?
.....
4. What does the underlined pronoun "it" refer to?
.....

-
5. Why can't you land a spaceship on Saturn?
.....

Passage 8:

Yesterday, our school went on a great trip to the space museum. The guide welcomed us to the planetarium to learn about the solar system. **We** looked at a huge screen showing the hot Sun and the Moon. The friendly guide told us many amazing facts about the eight planets. We learned that Mercury is the **closest** planet to the bright Sun. We also saw pictures of brave astronauts walking in space. It was the most exciting school trip of the year.

A. Choose the correct answer:

1. The main idea of this text is about a school ".....".
a. hospital | b. exam | c. farm | d. trip
2. The underlined word "closest" means the ".....".
a. farthest | b. biggest | c. nearest | d. smallest

B. Answer the following questions:

3. Where did the school go yesterday?
.....
4. What does the underlined pronoun "We" refer to?
.....
5. What did the students see on the huge screen?
.....

Passage 9:

For homework, the science teacher asked us to create a space fact file. I chose to write about my favorite planet, which is Mars. I used short and clear sentences to introduce my beautiful planet. I added some exciting

facts about its red soil and high mountains. I also drew a picture of a fast rocket flying near Mars. Using bright colored pencils made my project look very creative and neat. My teacher was very happy and gave me full marks today.

A. Choose the correct answer:

1. The main idea of this text is about science ".....".
a. sports | b. food | c. homework | d. music
2. The underlined word "neat" means very ".....".
a. dirty | b. tidy | c. bad | d. messy

B. Answer the following questions:

3. What did the writer choose to write about?
.....
4. What does the underlined pronoun "its" refer to?
.....
5. How did the colored pencils help the project?
.....

Passage 10:

Earth is the perfect planet for humans to live on safely. It is the third planet from the warm and bright Sun. Venus is hotter than Earth, and Mars is much colder. Earth has enough water and fresh air for people, animals, and green plants. When astronauts look at Earth from space, it looks like a beautiful blue ball. It is smaller than Jupiter and Saturn, but it is our only home. We must work hard to keep our beautiful planet completely clean.

A. Choose the correct answer:

1. The main idea of this text is about planet ".....".
a. Venus | b. Mars | c. Saturn | d. Earth
2. The underlined word "perfect" means the ".....".
a. saddest | b. worst | c. best | d. hottest

B. Answer the following questions:

3. Which planet is the third from the Sun?
.....
4. What does the underlined pronoun "it" refer to?
.....
5. What does Earth look like from space?
.....

Read and write the correct form of the word(s) between brackets:

1. The brave police dog (catch)
bad criminals every day.
2. Jupiter is the (large) planet in our solar system.
3. Look! The beautiful falcon (fly)
high in the sky.
4. Mars is (small) than planet Earth.
5. Egrets always (stands) on the buffalo's back to eat insects.
6. Venus is much (hot) than Mercury.
7. The hardworking farmer (plant)
new seeds at the moment.
8. Neptune is the (distant)
planet from the Sun.

9. My uncle usually (feed) the brown cows early in the morning.
10. I think astronomy is (interesting) than history.
11. Listen! The small birds (sing) beautifully in the trees.
12. The Sun is the (bright) star in our sky.
13. Helpful donkeys (carries) heavy baskets to the local market.
14. Traveling to space is the (exciting) adventure ever!
15. The clever monkey (is climb) the tall green tree right now.
16. From space, Earth looks (beautiful) than Mars.
17. Big water buffaloes (pulls) the heavy wooden ploughs.
18. Saturn is (colorful) than Mercury because of its rings.
19. I (am read) an interesting book about animal jobs today.
20. Olympus Mons on Mars is the (high) mountain in the solar system.
21. A good guide dog (help) blind people walk safely in the street.
22. Astronauts need to be (careful) than normal pilots.
23. The smart dolphins (swims) fast to rescue the boy now.

24. This new telescope is (good) than the old one.
25. The tiny scarab beetle (break) down animal waste in the soil.
26. That was the (bad) space documentary I have ever seen.
27. The lazy cat is not (catch) mice on the farm today.
28. The moon is (close) to Earth than the Sun is.
29. Fast pigeons often (flies) long distances to deliver messages.
30. Neptune is much (far) from the sun than Earth.
31. We (are learn) about amazing animal helpers this week.
32. Solar power is the (useful) energy for long space missions.
33. The strong horses (pull) the heavy wooden cart at the moment.
34. Jupiter is the (big) planet we know.
35. A small gecko usually (eat) harmful mosquitoes at night.
36. Reading about planets is (popular) than reading about cars in our class.
37. The active farmer always (wake) up very early every day.

38. I got the (good) mark in the science test today!
39. Look! The police dogs (run) very fast to catch the thief.
40. The weather on Venus is the (hot) in the solar system.

Answer Key (نموذج الإجابة)

Choose the correct answer from a, b, c or d:

1 b	11d	21b	31 c	41 a
2 b	12b	22b	32 c	42 d
3 c	13c	23c	33 c	43 a
4 a	14d	24c	34 d	44 c
5 d	15b	25a	35 b	45 b
6 a	16d	26b	36 b	46 c
7 a	17c	27c	37 d	47 c
8 d	18a	28a	38 b	48 a
9 b	19c	29c	39 c	49 b
10 c	20d	30a	40 c	50 b

Read and complete the text with the words in the box:

Passage 1: (1) brave, (2) catch, (3) smell, (4) criminals

Passage 2: (1) blind, (2) walk, (3) streets, (4) safe

Passage 3: (1) strong, (2) ploughs, (3) soil, (4) crops

Passage 4: (1) loads, (2) markets, (3) routes, (4) narrow

Passage 5: (1) birds, (2) messages, (3) high, (4) places

Passage 6: (1) animals, (2) sky, (3) catch, (4) crops

Passage 7: (1) walls, (2) night, (3) catch, (4) insects

Passage 8: (1) down, (2) waste, (3) earth, (4) plants

Passage 9: (1) smart, (2) rescue, (3) danger, (4) sea

Passage 10: (1) back, (2) insects, (3) chemicals, (4) healthy

Read the text and answer the questions:

Passage 1:

1. b
2. c
3. Mercury is the smallest planet.
4. The solar system.
5. The Milky Way.

Passage 2:

1. d
2. a
3. In the year 2022.
4. Sara Sabry.
5. To follow their big dreams.

Passage 3:

1. c
2. b
3. Because its soil has a lot of iron.
4. Neptune.
5. Venus is much hotter than Earth.

Passage 4:

1. d
2. c
3. To make a colorful poster about the planets.
4. Adam and Nada.
5. She helped him with the bright colored pencils.

Passage 5:

1. b
2. d
3. On a fun playground on the Moon.

4. Omar and the alien.
5. They looked like soft white clouds.

Passage 6:

1. c
2. d
3. The Milky Way.
4. The Milky Way.
5. It is shaped like a giant circle.

Passage 7:

1. b
2. b
3. Ice, dust, and heavy rocks.
4. Saturn.
5. Because it is made of gas.

Passage 8:

1. d
2. c
3. To the space museum.
4. The students.
5. The hot Sun and the Moon.

Passage 9:

1. c
2. b
3. Planet Mars.
4. Mars.
5. They made the project look very creative and neat.

Passage 10:

1. d
2. c
3. Earth is the third planet.
4. Earth.
5. It looks like a beautiful blue ball.

Read and write the correct form of the word(s) between brackets:

- | | |
|-------------|-----------------|
| 1 catches | 21 helps |
| 2 largest | 22 more careful |
| 3 is flying | 23 are swimming |

- | | |
|---------------------|----------------------|
| 4 smaller | 24 better |
| 5 stand | 25 breaks |
| 6 hotter | 26 worst |
| 7 is planting | 27 catching |
| 8 most distant | 28 closer |
| 9 feeds | 29 fly |
| 10 more interesting | 30 farther / further |
| 11 are singing | 31 are learning |
| 12 brightest | 32 most useful |
| 13 carry | 33 are pulling |
| 14 most exciting | 34 biggest |
| 15 is climbing | 35 eats |
| 16 more beautiful | 36 more popular |
| 17 pull | 37 wakes |
| 18 more colorful | 38 best |
| 19 am reading | 39 are running |
| 20 highest | 40 hottest |

Put the words in the correct order to form sentences:

1. Jupiter is the largest planet.
2. Mars is smaller than Earth.
3. Venus is the brightest planet.
4. Sara Sabry traveled to space.
5. Earth is the third planet from the Sun.
6. Saturn is more beautiful than Uranus.
7. The Sun is the hottest object.
8. Our galaxy is called the Milky Way.
9. Neptune is farther from the Sun than Earth.
10. Mercury is the closest planet to the Sun.

11. Astronauts wear special spacesuits in space.
12. Our solar system has eight planets.
13. Mars is often called the Red Planet.
14. Exploring space is the most dangerous job.
15. Stars look small in the night sky.
16. The police dog is running fast.
17. Farmers use strong animals for work.
18. Jupiter is the biggest planet.
19. Venus is hotter than Earth.
20. The white egret eats harmful insects.
21. Guide dogs keep blind people safe.
22. The Milky Way is our galaxy.
23. Astronauts travel in fast spaceships.
24. Donkeys carry heavy baskets to the market.
25. The scarab beetle makes the soil healthy.
26. Neptune is the farthest planet from the Sun.
27. Falcons hunt small rats in the field.
28. The Moon is closer to Earth than Mars.
29. Dolphins swim to rescue tired swimmers.
30. Saturn has beautiful rings around it.
31. The Milky Way is a very big galaxy.
32. The scarab beetle lives in the dirt.
33. Mars is colder than planet Earth.
34. The egret eats insects from the buffalo.
35. Pigeons carry messages on their legs.
36. Donkeys can walk in narrow streets.
37. We live on a beautiful blue planet.

38. Guide dogs help blind people cross the street.
39. Space travel is very dangerous.
40. The falcon dives to catch small animals.
41. The Sun is much brighter than the Moon.
42. Geckos catch annoying mosquitoes at night.
43. Saturn is more colorful than Mars.
44. Dolphins are very smart marine animals.
45. The water buffalo pulls heavy ploughs.
46. The Moon is very close to Earth.
47. Police dogs catch dangerous criminals.
48. Space is more interesting than history.
49. Brave astronauts fly in fast spaceships.

Punctuate the following:

1. Is the solar system very big?
2. Sara Sabry traveled to space in 2022.
3. Falcons hunt small rats in Egypt.
4. What is the biggest planet in the solar system?
5. Donkeys carry dates to the market on Friday.
6. Yes, Earth is a beautiful planet.
7. Jupiter is bigger than Mars.
8. Do farmers use water buffaloes in Egypt?
9. Ahmed's favorite planet is Saturn.
10. Guide dogs help blind people in Cairo.
11. Ali and Nada are learning about the Milky Way.
12. Are dolphins smart marine animals?

13. No, Venus is not the closest planet to the Sun.

14. The white egret helps the buffalo on the farm.

15. Where does the hardworking scarab beetle live?

Write a text of FOURTY (40) words using the words below:

1. Animal helpers on the farm:

Animals are very useful on the farm. The water buffalo is strong and pulls heavy ploughs. The white egret is a helpful bird. It eats harmful insects from the buffalo's back. Donkeys are also very important. They carry heavy baskets to the local market every day.

2. Our solar system:

Our solar system is very big and exciting. It has eight planets that go around the hot Sun. Jupiter is the biggest planet in the solar system. Mercury is the closest planet to the Sun. We live on planet Earth. It is a beautiful planet and it has water and life.

3. Police dogs:

Police dogs are very important in our big cities. They are very smart and brave animals. They have a very strong sense of

smell. The police use them to track lost people and catch bad criminals. Working with these helpful dogs keeps our streets and society safe.

4. Sara Sabry:

Sara Sabry is a very famous person in Egypt. She is the first Egyptian female astronaut. She traveled to space in the year 2022. She studied the solar system and the planets carefully. She wants to inspire young students to work hard and follow their big dreams.

5. Natural helpers:

Many animals are natural helpers for farmers. Falcons are beautiful and fast birds. They fly high in the blue sky. They hunt dangerous rats and small mice in the green fields. By catching these small pests, falcons protect the farmer's crops. They help the farmer grow healthy food.
